Unique Client Identifier

- When information is requested at the Veteran level (such as on the *LSV Caseload Tracking Tool* or during an Office of Business Oversight Audit), grantees need to utilize a Unique Client Identifier (UCI) instead of providing personally identifiable information for a given Veteran. A UCI is a unique combination of letters and numbers which is used to produce unduplicated counts of Veterans served over time. UCIs are widely used in other US Government grants such as those funded by the Legal Services Corporation, IRS's Low Income Taxpayer Clinics and others. The UCI for the LSV-H Grant should follow the naming convention below:
 - Two-character State/Territory abbreviation for where grantee is located
 - Four-digit year Veteran was last discharged from the military
 - First three letters of Veteran's first name
 - Veteran's four-digit year of birth
 - First letter of Veteran's last name

Choose  VA

VA

U.S. Department
of Veterans Affairs

Unique Client Identifier - Examples

Example 1: Legal Aid Florida is assisting Veteran John Smith with a Discharge Upgrade. Mr. Smith was born in 1975 and was discharged from the US Army in 2010.

– UCI for Veteran John Smith: FL2010JOH1975S

Example 2: Legal Aid Texas is assisting Veteran Jane Smith with a debt collection issue. Ms. Smith was born in 1985 and was discharged from the United States Marine Corps in 2008. She later joined the Texas Army Guard and was discharged from them in 2015.

– UCI for Veteran Jane Smith: TX2015JAN1985S

Utilizing a UCI will ensure that the VA can collect the relevant data we need while ensuring that information covered by ACP is protected. The UCI will also be used by the VA Office of Business Oversight should an audit be conducted.

Women Veterans – Continued

In order to verify that grantees are on track to provide 10 percent of the grant funds to serve eligible women Veterans, VA asks for two things:

- Caseload Tracking Tool
- Certification in Quarterly Report:
 - “I certify that at least 10 percent of LSV-H grant funds are projected to be used for the provision of legal services for women Veterans by the end of the grant cycle.”

Legal Services for Veterans Programs

Veterans who are homeless or at risk for homelessness often face legal issues that make it difficult for them to obtain or maintain stable housing. The Legal Services for Veterans (LSV) program aims to increase access to legal services to eligible Veterans through the award of grant funds and by promoting Medical Legal Partnerships and VA-affiliated legal clinics throughout the Veterans Health Administration (VHA). LSV is a component of the [Veterans Justice Programs](#) (VJP) within the VHA Homeless Programs Office.

The new Legal Services for Homeless Veterans and Veterans At-Risk for Homelessness Grants (LSV-H) will enable VA to deliver legal services to these Veterans. Legal services – particularly civil legal services that support accessing government benefits, navigating family law, ensuring access to safe housing, and assisting with debt – can all be critical to resolving or preventing homelessness. [View the LSV-H Interim Final Rule](#).

In alignment with the United States Interagency Council on Homelessness's goal to End Veteran Homelessness, this grant program will assist in furthering access to legal services for Veterans. LSV-H is authorized under sections 4202 & 5105 of the Johnny Isakson and David P. Roe, M.D., Veterans Health Care and Benefits Improvement Act of 2020 (P.L. 116-315), signed into law on January 5, 2021. LSV-H is further codified in 38 U.S.C. 2022A.

NEW List of LSV-H Grantees

The Grantees for the Fiscal Year 2023 LSV-H were announced on June 29, 2023. Find a full list of awarded grantees and their referral information [here](#). The LSV-H grant cycle began August 1, 2023.

Please check back often for important updates. The LSV grant application period is currently closed.

Message From Monica Diaz, Executive Director, VHA Homeless Programs Office

VETERANS AFFAIRS HAS PROGRAMS FOR VETS EXPERIENCING THIS STATUS, WHOSE NUMBER WAS REDUCED BY HALF FROM 2010 TO 2019

If you responded, "What is homelessness?" while tuning into Jeopardy a few weeks ago, you answered the \$2,000 question correctly!

I owe the producers of the show a resounding "thank you." In just a few seconds, Jeopardy informed millions of

Americans about VA's success over the past decade. As I watched the Jeopardy episode, I couldn't help but think about the similarities between the game and real life.

In the game of Jeopardy, there are multiple categories with answers ranging from commonly known to obscure information. As contestants respond to these prompts, they can either advance with large sums of money and prizes—or lose everything they earned with one wrong move.
