# Learning, your way.

The Access® mobile app is a personalized interactive learning solution from McGraw Hill that makes studying easier and more efficient. Users can search vetted and trusted medical and allied health content across a variety of mediums that best fit their learning needs, including:

- ▶ Video
- ▶ Podcasts
- ▶ Images
- ▶ Infographics
- ▶ Textbooks
- ▶ Cases
- ▶ Q&A

## DOWNLOAD THE FREE ACCESS APP AND CREATE A PROFILE.
With the Access app, you can:

- ▶ **View content anytime, anywhere** via the app or the web.
- ▶ **Search within content** and refine by content type so you can personalize your learning experience.
- ▶ **Favorite content** to revisit later, such as videos, images, tables, chapters, podcasts, and more.
- ▶ **Create collections**, making it easier and quicker to find important and timely resources.

- ▶ **Browse recently viewed content** and curated recommendations on your personal dashboard.
- ▶ **Sync your favorites and collections** between the app and the web through your profile.
- ▶ **Explore content** across all Access sites your institution subscribes to in one place.

If you create an account offsite, you will be granted a 7-day grace period. To authenticate your profile, you must sign in on-site at your institution or connect through your institution's VPN or library website.

To keep your Access profile authenticated, sign on via your institution's network every 90 days. A convenient colored tracker to view your authentication details can be found in your Profile & Settings.
