

VA MS CENTERS OF EXCELLENCE INFORMATION FOR VETERANS WITH MS

Sign up to receive information about multiple sclerosis (MS), including educational opportunities, and articles about MS.

MS VETERAN NEWSLETTER

Our quarterly MS Veteran electronic newsletter covers a variety of topics important to Veterans living their best lives with MS. Learn about

- Veterans living well with MS,
- VA research,
- symptom management,
- complementary and alternative therapies,
- disease modifying therapies,
- healthy living and whole health,
- rehabilitation services, and
- VA benefits and resources.

MS & ME PODCAST

Our monthly MS and Me podcast series brings in MS experts to discuss the various issues affecting people living with MS. The podcasts are available on a variety of apps, with each podcast lasting 10-25 minutes.

In addition to our newsletter and podcast, we will send announcements about virtual educational webinars and conferences developed by the VA or in collaboration with the VA. Your e-mail address will not be shared with others. Questions, contact MSCentersofExcellence@va.gov.
