

JN Learning[™]

CME made easy, from a source you trust.

Physicians can earn AMA PRA Category 1 CME Credit[™] and MOC with JN Learning from the JAMA Network[®]. Explore 950+ CME activities based on articles or audio clips from JAMA[®] and the 11 JAMA Network specialty journals.

Experience a fully customized CME platform, including saved searches and email alerts based on topic and state requirements. JN Learning allows your users to track completed activities, view their full transcript, and download certificates, all from within the site. For internists, JN Learning automatically transfers MOC to the ABIM specialty board.

Explore JN Learning today at jamanetwork.com/learning

JN Learning is included with your JAMA Network site license subscription.

Each user will have complimentary access to 10 CME activities per calendar year.

JN Learning is part of the AMA Ed Hub.
