PART 808—REQUIRED SOURCES OF SUPPLIES AND SERVICES**808.000 Scope of part.**

This part deals with prioritizing sources of supplies and services for use by the Government based on unique VA statutory programs, as well as requirements when using the General Services Administration (GSA) Federal Supply Schedules program including the GSA delegated VA Federal Supply Schedule program.

808.001 General.**808.001-70 Definitions.**

As used in this part—

Veterans Affairs (VA) Federal Supply Schedule (FSS) or “VA FSS” means FSS contracts awarded by the VA National Acquisition Center, under authority delegated by the General Services Administration (GSA) per [FAR 8.402\(a\)](#). VA FSS contracts include medical, dental, pharmacy and veterinary equipment and supplies in Federal Supply Classification (FSC) Group 65, instruments and laboratory equipment in FSC Group 66 and health care services in FSC Group 621.

808.002 Priorities for use of mandatory Government sources.

(a) *Priorities*. Contracting activities shall satisfy requirements for supplies and services from or through the mandatory sources listed in paragraphs (a)(1) and (2) of this section in descending order of priority:

(1) *Supplies*. (i) VA inventories including the VA supply stock program (41 CFR 101-26.704) and VA excess.

(ii) Excess from other agencies (see [FAR subpart 8.1](#)).

(iii) Federal Prison Industries, Inc. (see [808.603](#)). Prior to considering award of a contract to Federal Prison Industries, Inc., contracting officers shall apply the VA Rule of Two (see [802.101](#)) to determine whether a requirement should be awarded to veteran-owned small businesses under the authority of 38 U.S.C. 8127-28, by using the preferences and priorities in subpart [819.70](#). If an award is not made to a VIP-listed and verified service-disabled veteran-owned small business (SDVOSB)/veteran-owned small business (VOSB) as provided in subpart [819.70](#), FPI remains a mandatory source in accordance with [FAR 8.002](#).

(iv) Supplies that are on the Procurement List maintained by the Committee for Purchase From People Who Are Blind or Severely Disabled, through the AbilityOne Program ([FAR subpart 8.7](#)). Supplies that are on the Procurement List but which do not meet the definition of a covered product in paragraph

Part 808—Required Sources of Supplies and Services

(a)(1)(iv)(A) of this section are only required to be procured from a mandatory source in accordance with [FAR 8.002](#) if an award is not made to a VIP-listed and verified SDVOSB/VOSB after following the procedures set forth in subpart [819.70](#).

(A) *Definition.* As used in this paragraph (a)(1)(iv), *covered product* means a product that—

(1) Is included on the Procurement List as authorized under 41 U.S.C. 8503(a) (see [FAR 8.703](#)) and was included on the Procurement List on or before December 22, 2006; or

(2) Meets the following criteria—

(a)(1)(iv); (i) Is a replacement for a product under this paragraph

(ii) Is essentially the same and meeting the same requirement as the product being replaced; and

(iii) The contracting officer determines the product meets the quality standards and delivery schedule requirements of VA.

(B) *Policy.* Except as provided in paragraphs (a)(1)(iv)(C) and (D) of this section, contracting officers shall procure covered products that are on the Procurement List through the AbilityOne Program as set forth in [FAR subpart 8.7](#). Contracting officers shall not procure products that are on the Procurement List, but which do not meet the definition of a covered product using the procedures set forth in [FAR subpart 8.7](#), unless award cannot be made to a VIP-listed and verified SDVOSB/VOSB pursuant to the procedures set forth in subpart [819.70](#).

(C) *Exception for certain contracts awarded in accordance with the Veterans First Contracting Program in subpart 819.70.* If a contract for a covered product awarded under the authority of 38 U.S.C. 8127(d)(1) to a VIP-listed SDVOSB or VOSB was in effect as of August 7, 2020, the requirement shall continue as an SDVOSB/VOSB set-aside in accordance with [819.7006](#) and [819.7007](#).

(D) *Termination or expiration of excepted contracts.* When a contract previously awarded as set forth in paragraph (a)(1)(iv)(C) of this section is terminated or expires, contracting officers shall procure such covered product through the AbilityOne Program as a priority mandatory Government source (see paragraph (a)(1)(iv)(B) of this section), provided the head of the contracting activity or designee determines there is no reasonable expectation that—

(1) Two or more SDVOSBs/VOSBs will submit offers; and

(2) Award can be made at a fair and reasonable price that offers best value to the United States.

(v) Wholesale supply sources, such as stock programs of the General Services Administration (GSA) (see 41 CFR 101-26.3), the Defense Logistics Agency (see 41 CFR 101-26.6), the Department of Veterans Affairs (see 41 CFR 101-26.704), and military inventory control points.

(2) *Services.* Services that are on the Procurement List maintained by the Committee for Purchase From People Who Are Blind or Severely Disabled, through the AbilityOne Program ([FAR subpart 8.7](#)). For services that are on the Procurement List, but which do not meet the definition of a covered service in paragraph (a)(2)(i) of this section are only required to be procured from a mandatory source in accordance with [FAR 8.002](#) if an award is not made to a VIP-listed and verified SDVOSB/VOSB after following the procedures set forth in subpart [819.70](#).

(i) *Definition.* As used in this paragraph (a)(2)—

Covered service means a service that—

(1) Is included on the Procurement List as authorized under 41 U.S.C. 8503(a) (see [FAR 8.703](#)) and was included on the Procurement List on or before December 22, 2006; or

(2) Meets the following criteria—

(i) Is a replacement for a service under this paragraph (a)(2);

(ii) Is essentially the same and meeting the same requirement as the service being replaced; and

(iii) The contracting officer determines the service meets the quality standards and delivery schedule requirements of VA.

(ii) *Policy.* Except as provided in paragraphs (a)(2)(iii) and (iv) of this section, contracting officers shall procure covered services that are on the Procurement List through the AbilityOne Program as set forth in [FAR subpart 8.7](#). Contracting officers shall not procure services that are on the Procurement List, but which do not meet the definition of a covered service using the procedures set forth in [FAR subpart 8.7](#), unless award cannot be made to a VIP-listed and verified SDVOSB/VOSB pursuant to the procedures set forth in subpart [819.70](#).

(iii) *Exception for certain contracts awarded in accordance with the Veterans First Contracting Program in subpart 819.70.* If a contract for a covered service awarded under the authority of 38 U.S.C. 8127(d)(1) to a VIP-listed SDVOSB or VOSB was in effect as of August 7, 2020, the requirement shall

Part 808—Required Sources of Supplies and Services

continue as an SDVOSB/VOSB set-aside in accordance with [819.7006](#) and [819.7007](#).

(iv) *Termination or expiration of certain excepted contracts.* When a contract previously awarded as set forth in paragraph (a)(2)(iii) of this section is terminated or expires, contracting officers shall procure such covered service through the AbilityOne Program as a priority mandatory Government source (see paragraph (a)(2)(ii) of this section), provided the head of the contracting activity or designee determines there is no reasonable expectation that—

(A) Two or more SDVOSBs/VOSBs will submit offers; and

(B) Award can be made at a fair and reasonable price that offers best value to the United States.

(b) *Unusual and compelling urgency.* The contracting officer may use a source other than those listed in paragraph (a) of this section when the need for supplies or services is of an unusual and compelling urgency (see [FAR 6.302-2](#), [8.405-6](#), and [13.106-1](#) and part [806](#) for justification requirements).

808.004 Use of other sources.

808.004-70 Use of other priority sources.

(a) *Veterans contracting priority.* In order to fulfill the requirements of 38 U.S.C. 8127-8128 (see subpart [819.70](#)), contracting officers shall award contracts (see [FAR 2.101](#) for the definition of contracts), as well as Blanket Purchase Agreements (BPAs), and orders against VA and GSA Federal Supply Schedules (FSS), providing priority in the awarding of such contracts to VIP-listed SDVOSBs first, then VOSBs.

(b) *Strategic sourcing priorities and application of the VA Rule of Two.* To provide medical supplies in Federal Supply Classification (FSC) groups 65 and 66 efficiently and effectively the VA, through previous reform initiatives, has implemented key strategic sourcing contract vehicles (e.g., prime-vendor, national contracts, VA FSS). If these strategic sourcing contracts were subject to the VA Rule of Two (see [802.101](#)), they may be determined mandatory by the head of the contracting activity. Contracting officers shall consider these priority contract vehicles before using other existing contract vehicles.

Subpart 808.4—Federal Supply Schedules

808.402 General.

(a) GSA has delegated authority to the VA to procure medical equipment, supplies, services and pharmaceuticals under the VA Federal Supply Schedule (FSS) program. The VA FSS program includes medical supplies in Federal Supply Classification (FSC) Groups 65 and 66 and services in FSC 621 for Professional

Part 808—Required Sources of Supplies and Services

and Allied Healthcare Staffing Services and Medical Laboratory Testing and Analysis Services.

808.404 Use of Federal Supply Schedules.**808.404-70 Use of Federal Supply Schedules—the Veterans First Contracting Program.**

(a) The Veterans First Contracting Program, implemented in subpart [819.70](#) pursuant to 38 U.S.C. 8127-8128, applies to BPAs, and orders under [FAR subpart 8.4](#) and has precedence over other small business programs.

(b) Contracting officers, when establishing a BPA or placing an order against the FSS, shall ensure that priorities for veteran-owned small businesses are implemented within the VA hierarchy of small business program preferences in subpart [819.70](#). Specifically, the contracting officer will consider preferences for verified SDVOSBs first, then preferences for verified VOSBs. These priorities will be followed by preferences for other small businesses in accordance with [819.7005](#).

(c) If unable to satisfy requirements for supplies and services from the mandatory sources in [808.002](#) and [808.004-70](#), contracting officers may consider commercial sources in the open market (see [FAR 8.004\(b\)](#)) if an open market acquisition is most appropriate (see [FAR 8.004](#)) and a VA Rule of Two (see [802.101](#)) determination is made (see subpart [819.70](#)).

(d) When the servicing agency will award contracts under an interagency agreement on behalf of the VA, the contracting officer shall ensure the interagency acquisition complies with [FAR subpart 17.5](#) and subpart [817.5](#) and includes terms requiring compliance with the VA Rule of Two (see [817.501](#)).

808.405 Ordering procedures for Federal Supply Schedules.**808.405-70 Set-aside procedures for VA and GSA Federal Supply Schedules.**

To satisfy VA legislative requirements, contracting officers shall use the supplemental ordering procedures of this section when establishing a BPA or placing an order for supplies or services under this subpart as follows:

(a) *When market research supports set-asides.* Pursuant to 38 U.S.C. 8127, contracting activities shall set-aside BPAs and orders for VIP-listed SDVOSBs or VOSBs when, based on research, the contracting officer has a reasonable expectation that two or more small business concerns owned and controlled by Veterans or owned and controlled by Veterans with service-connected disabilities will submit offers and that award can be made at a fair and reasonable price that offers best value to the United States. When the VA Rule of Two (see [802.101](#)) is met:

Part 808—Required Sources of Supplies and Services

(1) The set-aside requirements as provided in [819.7006](#) and [819.7007](#) are mandatory.

(2) The requirements in [FAR 8.405-1](#), [8.405-2](#), and [8.405-3](#) apply, except only quotes received from verified (*i.e.*, VIP-listed) and eligible SDVOSBs or VOSBs will be considered.

(3) The eligibility requirements of [819.7003](#), [819.7006](#), and [819.7007](#) apply, including the requirement for offerors to be VIP-listed at the time they submit offers/quotes as well as at the time awards are made.

(4) The contracting officer shall notify potential offerors of the unique VA verification requirements by including in the solicitation the applicable set-aside clause prescribed at [819.7011](#).

(b) *When market research does not support set-asides.* Pursuant to 38 U.S.C. 8128 and to the extent that market research does not support an SDVOSB or VOSB set-aside in either FSS or the open market, the contracting activity shall give priority in the award of orders placed under this part to VIP-listed SDVOSBs/VOSBs through the use of evaluation preferences giving priority to SDVOSBs first, then to a lesser extent VOSBs, and finally to any firm that proposes to use SDVOSBs/VOSBs as subcontractors. Contracting officers must use the clause prescribed in [808.405-570\(b\)](#).

(c) *SDVOSB/VOSB eligibility requirements.* The SDVOSB and VOSB eligibility requirements in [819.7003](#) apply, including current SDVOSB and VOSB VIP-listed status at the time of submission of offer/quote and at time of award. The offeror must also represent that it meets the small business size standard for the assigned North American Industry Classification System (NAICS) code as well as other small business requirements (including completing the certification found in [852.219-75](#) or [852.219-76](#)).

808.405-570 Small business set-asides and preferences—Veterans First Contracting Program clauses.

(a) When setting aside an order pursuant to [808.405-70\(a\)](#), the applicable clause prescribed in [819.7011](#) for SDVOSB/VOSB set-asides shall be used.

(b) When an SDVOSB/VOSB set-aside is not feasible, the ordering activity shall use the clause at [852.208-70](#), Service-Disabled Veteran-Owned and Veteran-Owned Small Business Evaluation Factors—Orders or BPAs, for task orders, delivery orders, or BPAs using evaluation factors other than price alone.

(c) The ordering activity shall insert the clause at [852.208-71](#), Service-Disabled Veteran-Owned and Veteran-Owned Small Business Evaluation Factor Commitments—Orders or BPAs, in request for quotes and resulting orders that include clause [852.208-70](#), Service-Disabled Veteran-Owned and Veteran-Owned Small Business Evaluation Factors—Orders or BPAs.

(d) The SDVOSB and VOSB eligibility requirements in part [819.7003](#) apply, including verification of the SDVOSB and VOSB status of an offeror, and other small business requirements in 13 CFR part 121 and 13 CFR 125.6 (e.g., small business representation, nonmanufacturer rule, and subcontracting limitations (see [819.7004](#) and [819.7011](#))).

PART 819—SMALL BUSINESS PROGRAMS**819.000 Scope of part.**

(a) This part supplements [FAR part 19](#) and implements the service-disabled veteran-owned small business (SDVOSB), veteran-owned small business (VOSB), and small business provisions of 38 U.S.C. 8127 and 8128, Executive Order 13360, and the Small Business Act (15 U.S.C. 631 et. seq.) as applied to the Department of Veterans Affairs (VA). This part also covers—

- (1) Goals for using SDVOSBs and VOSBs;
- (2) Priorities and preferences for using SDVOSBs/VOSBs;
- (3) SDVOSB/VOSB eligibility and contract compliance;
- (4) Setting aside acquisitions for SDVOSBs/VOSBs;
- (5) Sole-source awards to SDVOSBs and VOSBs; and
- (6) Evaluation preferences and contract clauses.

Subpart 819.2—Policies**819.201 General policy.**

(a) It is VA policy that small business concerns owned and controlled by veterans shall have maximum practicable opportunity to participate in VA acquisitions, consistent the priorities and preferences prescribed under the Veterans First Contracting Program in subpart [819.70](#).

(1) To carry out this policy the Secretary shall establish annual SDVOSB and VOSB contracting goals.

(2) In support of these goals, each administration and staff office shall in turn establish annual goals for each subordinate contracting activity that present, for that activity, the maximum practicable opportunity for small business concerns, and particularly SDVOSBs/VOSBs, to participate in the performance of the activity's contracts and subcontracts.

(3) The attainment of these goals or the use of interagency acquisition vehicles does not limit the applicability of the Veterans First Contracting Program and priorities in subpart [819.70](#).

(c) In addition to the duties and responsibilities in [FAR 19.201\(c\)](#), the Executive Director, Office of Small and Disadvantaged Business Utilization (OSDBU), is responsible for overseeing implementation of the Veterans First Contracting Program under subpart [819.70](#).

(d) Each organization with contracting authority shall designate small business specialists/technical advisors in coordination with the OSDBU Director.

819.202 Specific policies.

OSDBU is responsible for reviewing procurement strategies, establishing thresholds for such reviews and making recommendations to assist contracting officers in the implementation of this part. These responsibilities shall be conducted within the VA hierarchy of small business program preferences established by 38 U.S.C. 8127(h) (see subpart [819.70](#)), which requires VA to consider preferences for VIP-listed SDVOSBs first, then preferences for VIP-listed VOSBs. Contracting officers shall use VA Form 2268, Small Business Program and Contract Bundling Review, to document actions and recommendations.

819.203 Relationship among small business programs.

819.203-70 Priority for SDVOSB/VOSB contracting preferences.

(a) 38 U.S.C. 8127 and 8128 require the VA to provide priority and establish special acquisition methods to increase contracting opportunities for SDVOSBs/VOSBs. These priorities and special acquisition methods are set forth in subpart [819.70](#) and shall be applied by contracting officers before other priorities and preferences in [FAR 19.203](#).

(b) Pursuant to 38 U.S.C. 8128, contracting officers shall give priority to SDVOSBs/VOSBs if such business concern(s) also meet the requirements of that contracting preference. The requirement in this paragraph (b) applies even when using a contracting preference under [FAR part 19](#) (for example, a women-owned small business set-aside).

Subpart 819.3—Determination of Small Business Size and Status for Small Business Programs

819.307 Protesting a firm's status as a service-disabled veteran-owned small business concern.

819.307-70 SDVOSB/VOSB status protests.

All protests relating to size, status, and/or whether an SDVOSB or a VOSB is a "small business" are subject to the Small Business Administration (SBA) regulations at 13 CFR part 121 and must be filed in accordance with SBA guidelines at 13 CFR part 134 (see [FAR subpart 19.3](#)). Pursuant to Public Law 114-328, SBA will hear cases related to size and status, including ownership and control challenges under the VA Veterans First Contracting Program (see 38 U.S.C. 8127(f)(8)).

Subpart 819.5—Small Business Total Set-Asides, Partial Set-Asides, and Reserves

819.501 General.

819.501-70 General principles for setting aside VA acquisitions.

(a) The following principles apply to VA acquisitions under this subpart:

(1) Before setting aside or reserving an acquisition for small businesses under [FAR subpart 19.5](#), contracting officers shall refer to [808.002](#) and [819.203-70](#) and subpart [819.70](#) for VA SDVOSB/VOSB priorities and preferences.

(2) Set-asides under the Veterans First Contracting Program in subpart [819.70](#) (see [819.7006](#) and [819.7007](#)) have precedence over other small business set-asides authorized in [FAR part 19](#), both above and below the simplified acquisition threshold (SAT). An SDVOSB/VOSB set-aside satisfies the legislative requirement to reserve actions below the SAT for small business.

(3) Pursuant to 38 U.S.C. 8127(d), set-asides for SDVOSBs/VOSBs are mandatory whenever a contracting officer has a reasonable expectation of receiving two or more offers/quotes from eligible, capable and verified firms, and that an award can be made at a fair and reasonable price that offers best value to the Government. (VA Rule of Two (see [802.101](#))).

(b) The set-aside principles in this section apply to VA acquisitions even when a procuring activity is meeting its goals or is planning the use of an interagency agreement, Federal Supply Schedule, or a multiple award contract, including a Governmentwide contract vehicle.

(c) The requirements in this section apply to all VA acquisitions under this subpart, including reserves, orders, and BPAs under multiple award contracts, GSA Federal Supply Schedule contracts, and Multi-Agency Contracts (MACs) awarded by another agency. A set-aside restricted to SDVOSBs/VOSBs pursuant to subpart [819.70](#) satisfies competition requirements in [FAR part 6](#), as well as fair opportunity requirements for orders under multiple-award contracts (see [FAR 16.505\(b\)\(2\)\(i\)\(F\)](#)).

819.502 Setting aside acquisitions.

819.502-1 Requirements for setting aside acquisitions.

(b) Contracting officers shall refer to [808.002](#) for the VA policy regarding priorities for use of SDVOSBs/VOSBs and mandatory Government sources.

819.502-2 Total small business set-asides.

(a) If the contracting officer receives no acceptable offers from responsible small business concerns, the set-aside shall be withdrawn and the requirement, if still

Part 819—Small Business Programs

valid, shall be resolicited on an unrestricted basis or, if permitted in the solicitation, the contracting officer will follow the tiered set-aside evaluation procedures in [819.7010](#), Tiered evaluation, and proceed to the next eligible tier in the evaluation process.

819.507 Solicitation provisions and contract clauses.**819.507-70 Additional VA solicitation provisions and contract clauses.**

For contracts, orders, or BPAs to be issued as SDVOSB/VOSB reserve, tiered evaluation, set-aside, or sole source, see [819.7011](#). Also see subparts [808.4](#) and [815.3](#) and [819.203-70](#) for requirements and clauses applicable to VA small business set-asides.

Subpart 819.6—[Reserved]**Subpart 819.7—The Small Business Subcontracting Program****819.704-70 VA subcontracting plan requirements.**

(a) VA's current subcontracting goals, at a minimum, shall be inserted into all solicitations which contain [FAR clause 52.219-9](#). To the maximum extent possible, the contracting officer shall ensure that individual subcontracting plans submitted by offerors subject to clause [852.219-70](#), VA Small Business Subcontracting Plan Minimum Requirements, include SDVOSB/VOSB goals that are commensurate with the annual VA SDVOSB/VOSB subcontracting goals (see [819.708](#)).

(1) Only firms listed as verified on the Vendor Information Pages (VIP) database (see subpart [819.70](#)) will count towards SDVOSB and VOSB goals.

(2) A contractor may reasonably rely on a subcontractor's status as shown in the VIP database as of the date of subcontract award, provided the contractor retains records of the results of the VIP database query.

(3) In furtherance of 38 U.S.C. 8127(a)(4), contractors shall submit subcontracting plan reports to OSDBU as set forth in clause [852.219-70](#), VA Small Business Subcontracting Plan Minimum Requirements. Unless otherwise directed by OSDBU, VA Form 0896A, Report of Subcontracts to Small and Veteran Owned Business, shall be used to submit the required information.

(b) Subcontracting goals should be expressed as a percentage of total dollars to be subcontracted unless otherwise stated in the solicitation.

(c) If an offeror proposes to use an SDVOSB/VOSB subcontractor for the purpose of receiving SDVOSB/VOSB evaluation factors credit pursuant to [808.405-70](#) or [815.304-70](#), the contracting officer shall ensure that the offeror, if awarded the contract, actually uses the proposed subcontractor or another SDVOSB/VOSB for that subcontract or for work of similar value, in accordance with clause [852.208-70](#),

Part 819—Small Business Programs

Service-Disabled Veteran-Owned and Veteran-Owned Small Business Evaluation Factors—Orders or BPAs, or [852.215-71](#), Evaluation Factor Commitments.

(d) Pursuant to 38 U.S.C. 8127(g), any business concern that is determined by VA to have willfully and intentionally misrepresented a company's SDVOSB or VOSB status is subject to debarment from contracting with the Department for a period of not less than five years. This includes the debarment of all principals in the business (see [809.406-270](#)).

819.708 Contract clauses.

(b) The contracting officer shall insert clause [852.219-70](#), Small Business Subcontracting Plan Minimum Requirements, in solicitations and contracts that include [FAR clause 52.219-9](#), Small Business Subcontracting Plan.

Subpart 819.8—Contracting With the Small Business Administration (the 8(a) Program)**819.800 General.**

(e) The Small Business Administration (SBA) and the Department of Veterans Affairs (VA) have entered into a Partnership Agreement delegating SBA's contract execution and administrative functions to VA. Contracting officers shall follow the alternate procedures in the Partnership Agreement and this subpart, as applicable, to award an 8(a) contract. In the event the Partnership Agreement ceases to be in effect, contracting officers shall follow the procedures in [FAR subpart 19.8](#).

819.811 Preparing the contracts.**819.811-370 VA/SBA Partnership Agreement and contract clauses.**

(a) Before placing new requirements under the 8(a) program, the contracting officer must determine whether an SDVOSB/VOSB set-aside is mandated under the VA Rule of Two (see [802.101](#)). If the determination does not result in an SDVOSB/VOSB set-aside, the contracting officer may consider the 8(a) program.

(b) The Partnership Agreement provides that SBA can release procurements already in the program whenever an SDVOSB or VOSB set-aside is feasible.

(c) When an 8(a) acquisition is processed pursuant to the Partnership Agreement, the contracting officer shall:

(1) For competitive solicitations and awards, use the clause at [852.219-71](#), VA Notification of Competition Limited to Eligible 8(a) Participants, substituting paragraph (c) of [FAR 52.219-18](#), Notification of Competition Limited to Eligible 8(a) Participants, with paragraph (c) contained in [852.219-71](#).

Part 819—Small Business Programs

(2) For noncompetitive solicitations and awards insert the clause at [852.219-72](#), Notification of Section 8(a) Direct Awards, instead of the prescribed FAR clauses at [52.219-11](#), Special 8(a) Contract Conditions; [52.219-12](#), Special 8(a) Subcontract Conditions; and [52.219-17](#), Section 8(a) Award.

(3) In all instances, contracting include the clause at [FAR 52.219-14](#), Limitations on Subcontracting, or if applicable [52.219-33](#), Nonmanufacturer Rule.

Subpart 819.70—The VA Veterans First Contracting Program**819.7001 General.**

(a) Sections 502 and 503 of Public Law 109-461, the Veterans Benefits, Health Care, and Information Technology Act of 2006, as amended (38 U.S.C. 8127- 8128), authorizes a VA specific program to increase contracting opportunities for eligible small business concerns owned and controlled by Veterans with service-connected disabilities and small business concerns owned and controlled by Veterans. Once ownership and control by these veterans is verified, these businesses are referred to as service-disabled veteran-owned small businesses (SDVOSBs) and veteran-owned small businesses (VOSBs) or collectively SDVOSB/VOSB for ease of reference.

(b) The program as implemented in this subpart shall be known as the Veterans First Contracting Program. The purpose of the program is to increase contracting opportunities and provide for priority in the award of contracts and subcontracts to SDVOSBs/VOSBs so they can fully participate in the VA contracting process. Eligible SDVOSBs qualify for any VOSB preferences under this subpart.

(c) VA's program is codified at 38 U.S.C. 8127 (b), (c), and (d), and provides the authority for VA contracting officers to make awards to SDVOSBs/VOSBs using restricted competition, as well as other than full and open competition (sole source), as set-forth in this subpart. Additionally, 38 U.S.C. 8128 provides the authority for VA to give SDVOSBs/VOSBs priority in the awarding of contracts and subcontracts using evaluation preferences.

(d) Contracting officers shall award contracts by restricting competition to eligible SDVOSBs/VOSBs as provided in [819.7006](#) and [819.7007](#). The contracting officer may use other preferences in this subpart as appropriate and in accordance with procuring activity guidelines.

(e) Pursuant to 38 U.S.C. 8128, contracting officers shall give priority to SDVOSBs/VOSBs if such business concern(s) also meet the requirements of that contracting preference. In carrying out this responsibility, contracting officers shall include the clauses prescribed at [808.405-570](#) and [815.304-71](#) in competitive solicitations and contracts that are not set-aside for SDVOSB/VOSB, including those under [FAR part 12](#). The requirement in this paragraph (e) applies even when using a contracting preference under [FAR part 19](#) (for example, a women-owned small business set-aside).

(f) The attainment of goals or the use of interagency vehicles or Governmentwide contract vehicles (i.e., Federal Supply Schedules (FSS)) does not relieve the contracting officer from using SDVOSB/VOSB set-asides and other preferences as provided in subpart [819.70](#). Moreover, if the VA enters into a contract, agreement, or other arrangement with any governmental entity to acquire goods or services, the entity acting on behalf of the VA through such an interagency acquisition or other agreement will comply, to the maximum extent feasible, with the provisions of the Veterans First Contracting Program as set forth in this subpart.

(g) Contracting officers shall ensure awards are made using the VA hierarchy of SDVOSB/VOSB preferences in this subpart. Specifically, the contracting officer will consider preferences for eligible SDVOSBs first, then preferences for other eligible VOSBs.

(h) When an offer of an SDVOSB/VOSB prime contractor includes a proposed team of small business subcontractors and specifically identifies the first-tier subcontractor(s) in the proposal, the contracting officer must consider the capabilities, past performance, and experience of each first tier subcontractor that is part of the team as the capabilities, past performance, and experience of the small business prime contractor if the capabilities, past performance, and experience of the small business prime does not independently demonstrate capabilities and past performance necessary for award.

819.7002 Applicability.

Unless otherwise exempted by law, this subpart applies to VA contracting activities and contracts (see [FAR 2.101](#)) including BPAs and orders under [FAR subpart 8.4](#) and acquisition of commercial products or commercial services under [FAR part 12](#). In addition, this subpart applies to VA contractors, their subcontractors and to any Government entity that has a contract, agreement, or other arrangement with the VA to acquire goods and services on behalf of the VA (see [817.501](#)). For applicability and VA policy regarding priorities for use of mandatory Government sources see [808.002](#).

819.7003 Eligibility.

(a) SDVOSB/VOSB size eligibility, challenges, and appeals are governed by the Small Business Administration (SBA) regulations at 13 CFR parts 121, 125, and 134, except where directed otherwise by this part or 38 CFR part 74.

(b) At the time of submission of offers/quotes, and at the time of award of any contract, the offeror must represent to the contracting officer that it is a—

- (1) SDVOSB or VOSB eligible under this subpart;

Part 819—Small Business Programs

(2) Small business concern under the North American Industry Classification System (NAICS) code assigned to the acquisition; and

(3) Listed as a verified SDVOSB/VOSB on the VA's Vendor Information Pages (VIP) at <https://www.vetbiz.va.gov/vip/>.

(c) A joint venture may be considered eligible if it meets the requirements in 13 CFR part 125; and the joint venture is listed in the VIP database.

(d) To receive a benefit under the Veterans First Contacting Program, an otherwise eligible SDVOSB/VOSB must also meet SBA requirements at 13 CFR parts 121 and 125, including the nonmanufacturer rule requirements at 13 CFR 121.406(b) and limitations on subcontracting at 13 CFR 125.6. The nonmanufacturer rule (see 13 CFR 121.406) and the limitations on subcontracting requirements apply to all SDVOSB and VOSB set-aside and sole source contracts above the micro-purchase threshold. An offeror shall submit a certification of compliance to be considered eligible for any award under this part (see [819.7004](#)).

(e) Pursuant to 38 USC 8127(g), any business concern that is determined by VA to have willfully and intentionally misrepresented a company's SDVOSB/VOSB status is subject to debarment from contracting with the Department for a period of not less than five years. This includes the debarment of all principals in the business. See [809.406-270](#).

819.7004 Limitations on subcontracting compliance requirements.

(a) A contract awarded under this subpart is subject to the SBA limitations on subcontracting requirements in 13 CFR 125.6, provided that—

(1) Only VIP-listed SDVOSBs are considered eligible and/or “similarly situated” under an SDVOSB sole source or set-aside.

(2) A VOSB is subject to the same limitations on subcontracting that apply to an SDVOSB.

(3) Any VIP-listed SDVOSB/VOSB is considered eligible and/or “similarly situated” under a VOSB sole source or set-aside.

(b) Pursuant to the authority of 38 U.S.C. 8127(k)(2), a contracting officer may award a contract under this subpart only after obtaining from the offeror a certification that the offeror will comply with the limitations on subcontracting requirement as provided in the solicitation and which shall be included in the resultant contract (see [819.7011](#)).

(1) The formal certification must be completed, signed and returned with the offeror's bid, quotation, or proposal.

Part 819—Small Business Programs

(2) The Government will not consider offers for award from offerors that do not provide the certification with their bid, quotation, or proposal, and all such responses will be deemed ineligible for evaluation and award.

(c) An otherwise eligible first tier subcontractor must meet the NAICS size standard assigned by the prime contractor and be listed in VIP to count as similarly situated. Any work that a first tier VIP-listed subcontractor further subcontracts will count towards the percent of subcontract amount that cannot be exceeded.

(d) An SDVOSB/VOSB awarded a contract on the basis of a set-aside, sole source, or an evaluation preference is required to comply with the limitations on subcontracting either by—

(1) The end of the base term, and then by the end of each subsequent option period; or, by the end of the performance period for each order issued under the contract, at the contracting officer's discretion; and

(2) For an order set aside for SDVOSB/VOSB as described in [808.405](#) and [FAR 16.505\(b\)\(2\)\(i\)\(F\)](#), or for an order issued directly to an SDVOSB/VOSB in accordance with [FAR 19.504\(c\)\(1\)\(ii\)](#), by the end of the performance period for the order.

(e) The contracting officer may also, at their discretion, require the contractor to demonstrate its compliance with the limitations on subcontracting at any time during performance of the contract, and upon completion of a contract if the information regarding such compliance is not already available to the contracting officer. Evidence of compliance includes, but is not limited to, invoices, copies of subcontracts, or a list of the value of tasks performed.

(f) Pursuant to Public Law 116-183, the Office of the Small and Disadvantaged Business Utilization (OSDBU) and Chief Acquisition Officer (CAO), will implement a process to monitor compliance with the requirement in this section. The OSDBU and CAO shall jointly refer any violations or suspected violations to the VA Office of Inspector General. This referral obligation does not relieve contracting officers of their obligation to report suspected violations of law to the Office of the Inspector General (OIG).

(1) If the Secretary or designee determines in consultation with the Inspector General that an SDVOSB/VOSB awarded a contract pursuant to 38 U.S.C. 8127 did not act in good faith with respect to the requirements described in [819.7003\(d\)](#), such SDVOSB/VOSB shall be subject to any or all of the following—

(i) Referral to the VA Suspension and Debarment Committee;

(ii) A fine under section 16(g)(1) of the Small Business Act (15 U.S.C. 645(g)(1)); and

(iii) Prosecution for violating 18 U.S.C. 1001.

Part 819—Small Business Programs

(2) The Inspector General shall report to the Congress annually on the number of referred violations and suspected violations, and the disposition of such violations, including the number of small business concerns suspended or debarred from federal contracting or referred for Department of Justice prosecution.

819.7005 Contracting order of priority.

(a) In determining the acquisition strategy applicable to a procurement requirement not otherwise covered under [808.002](#), the contracting officer shall observe the order of contracting preferences in 38 U.S.C. 8127(h).

(b) Specifically, preferences for awarding contracts to small business concerns shall be applied in the following order of priority:

(1) Contracts awarded to small business concerns owned and controlled by Veterans with service-connected disabilities as provided in this subpart.

(2) Contracts to small business concerns owned and controlled by Veterans that are not covered by paragraph (b)(1) of this section as provided in this subpart.

(3) Contracts awarded pursuant to—

(i) Section 8(a) of the Small Business Act (15 U.S.C. 637(a) as provided in [FAR subpart 19.8](#); or

(ii) Section 31 of the Small Business Act (15 U.S.C. 657a) as provided in [FAR subpart 19.13](#).

(4) Contracts awarded pursuant to any other small business set aside contracting preference, with due deference to the priority for awarding to women-owned small businesses as provided in [FAR 19.203\(b\) through \(e\)](#) and [FAR subpart 19.15](#).

819.7006 VA service-disabled veteran-owned small business set-aside procedures.

(a) The contracting officer shall consider SDVOSB set-asides before considering VOSB set-asides. Except as authorized by [808.002](#), [813.106](#), [819.7007](#), and [819.7008](#), the contracting officer shall set-aside a contract action exceeding the micro-purchase threshold for competition restricted to VIP-listed SDVOSB upon a reasonable expectation based on market research that—

(1) Offers/quotations will be received from two or more eligible VIP-listed SDVOSBs; and

(2) Award can be made at a fair and reasonable price that offers the best value to the Government.

Part 819—Small Business Programs

(b) When conducting SDVOSB set-asides, the contracting officer shall ensure that—

(1) Offerors are registered and verified as eligible in the VIP database at the time of submission of offers and at time of award; and

(2) Offerors affirmatively represent their SDVOSB and small business status based on the size standard corresponding to the North American Industrial Classification System (NAICS) code assigned to the solicitation/contract, as set forth in [819.7003\(b\) or \(c\)](#).

(c) If the contracting officer receives only one acceptable offer at a fair and reasonable price from an eligible VIP-listed SDVOSB, the contracting officer may make an award to that concern. If the contracting officer receives no acceptable offers from eligible SDVOSBs, the set-aside shall be withdrawn and the requirement, if still valid, set aside for VOSB competition if warranted or otherwise procured using the most appropriate strategy based on the results of market research.

819.7007 VA veteran-owned small business set-aside procedures.

(a) The contracting officer shall consider SDVOSB set-asides before considering VOSB set-asides. Except as authorized by [808.002](#), [813.106](#), [819.7007](#), and [819.7008](#), the contracting officer shall set aside a contract action exceeding the micro-purchase threshold for competition restricted to VIP-listed VOSBs upon a reasonable expectation based on market research that—

(1) Offers/quotations will be received from two or more VIP-listed VOSBs; and

(2) Award can be made at a fair and reasonable price that offers the best value to the Government.

(b) When conducting VOSB set-asides, the contracting officer shall ensure that—

(1) Offerors are registered and verified as eligible in the VIP database at the time of submission of offers and at time of award; and

(2) Offerors affirmatively represent their SDVOSB/VOSB and small business status based on the size standard corresponding to the NAICS code assigned to the solicitation/contract (see [819.7003\(b\) and \(c\)](#)).

(c) If the contracting officer receives only one acceptable offer at a fair and reasonable price from an eligible VIP-listed VOSB in response to a VOSB set-aside, the contracting officer may make an award to that concern. If the contracting officer decides not to make an award to the single acceptable offer received, or if the contracting officer receives no acceptable offers from eligible VOSBs, the set-aside

Part 819—Small Business Programs

shall be withdrawn and the requirement, if still valid, set aside for other small business programs in accordance with [819.7005](#) or otherwise procured using the most appropriate strategy based on the results of market research.

819.7008 Sole source awards to verified service-disabled veteran-owned small businesses.

(a) A contracting officer may award a contract to a VIP-listed service-disabled veteran-owned small business (SDVOSB) using other than competitive procedures provided—

(1) The anticipated award price of the contract (including options) will not exceed \$5 million;

(2) The requirement is synopsisized and the required justification pursuant to [FAR 6.302-5\(c\)\(2\)\(ii\)](#) is posted in accordance with [FAR part 5](#);

(3) The SDVOSB has been determined to be a responsible contractor with respect to performance; and

(4) In the estimation of the contracting officer contract award can be made at a fair and reasonable price that offers best value to the Government.

(b) The contracting officer's determination to make a sole source award is a business decision wholly within the discretion of the contracting officer. To ensure that opportunities are available to the broadest number of SDVOSBs, this authority is to be used only when in the best interest of the Government.

(c) A determination that only one SDVOSB can meet the requirement is not required. However, in accordance with [FAR 6.302-5\(c\)\(2\)\(ii\)](#), contracts awarded using this authority shall be supported by a written justification and approval described in [FAR 6.303](#) and [6.304](#), as applicable.

(d) When conducting a SDVOSB sole source acquisition, the contracting officer shall ensure the business meets eligibility requirements in [819.7003](#).

(e) A procurement requirement estimated to exceed the legislative threshold of \$5 million shall not be split or subdivided to permit the use of this SDVOSB sole source authority.

819.7009 Sole source awards to verified veteran-owned small businesses.

(a) A contracting officer may award a contract to a VIP-listed veteran-owned small business (VOSB) using other than competitive procedures provided—

(1) The anticipated award price of the contract (including options) will not exceed \$5 million;

(2) The requirement is synopsisized and the required justification pursuant to [FAR 6.302-5\(c\)\(2\)\(ii\)](#) is posted in accordance with [FAR part 5](#);

(3) The VOSB has been determined to be a responsible contractor with respect to performance;

(4) In the estimation of the contracting officer contract award can be made at a fair and reasonable price that offers best value to the Government; and

(5) No responsible SDVOSB has been identified.

(b) The contracting officer's determination to make a sole source award is a business decision wholly within the discretion of the contracting officer. To ensure that opportunities are available to the broadest number of VOSBs, this authority is to be used only when in the best interest of the Government.

(c) A determination that only one VOSB can meet the requirement is not required. However, in accordance with [FAR 6.302-5\(c\)\(2\)\(ii\)](#), contracts awarded using this authority shall be supported by a written justification and approval described in [FAR 6.303](#) and [6.304](#), as applicable.

(d) When conducting a VOSB sole source acquisition, the contracting officer shall ensure the business meets eligibility requirements in [819.7003](#).

(e) A procurement requirement estimated to exceed the legislative threshold of \$5 million shall not be split or subdivided to permit the use of this VOSB sole source authority.

819.7010 Tiered set-aside evaluation.

(a) Pursuant to the authority of 38 U.S.C. 8127 and under limited circumstances as set forth in this section, contracting officers may consider using a tiered set-aside evaluation approach to minimize delays in the re-solicitation process.

(b) Tiered evaluation of offers is a procedure that may be used in competitive negotiated acquisitions, including construction and acquisitions for commercial products and commercial services when the VA Rule of Two (see [802.101](#)) determination indicates a set-aside is required, but other circumstances preclude a confident conclusion that an award can be made at the SDVOSB or VOSB tier. The contracting officer —

(1) Solicits and receives offers from targeted tiers of small business groups, with SDVOSB as the first tier and VOSB as the second tier;

(2) Establishes a tiered order of priority for evaluating offers that is specified in the solicitation; and

(3) If no award can be made at the first tier, evaluates offers at the next lower tier, until award can be made.

(c) Market research, which shall be conducted and documented in advance of issuing the solicitation, will inform which of the following types of tiers will be included in the solicitation:

- (1) Tiered evaluations limited to SDVOSBs or VOSBs;
- (2) Tiered evaluations including 8(a) and HUBZone small businesses; or
- (3) Tiered evaluations including all other small business concerns.

(d) The tiered order of priority shall be consistent with [819.7005](#). Consideration shall be given to HUBZone and 8(a) small business concerns before evaluating offers from other small business concerns.

819.7011 Contract clauses.

(a) The contracting officer shall insert clause [852.219-73](#), VA Notice of Total Set-Aside for Verified Service-Disabled Veteran-Owned Small Businesses, or clause [852.219-74](#), VA Notice of Total Set-Aside for Verified Veteran-Owned Small Businesses, as applicable, in solicitations, orders and contracts that are set-aside, reserved, evaluated or awarded under this subpart. This includes sole source awards as well as multiple-award contracts when orders may be set aside for SDVOSBs/VOSBs as described in [808.405](#) and [FAR 19.504\(c\)\(1\)\(ii\)](#).

(b) The contracting officer shall insert the clause at [852.219-75](#), VA Notice of Limitations on Subcontracting—Certificate of Compliance for Services and Construction, in solicitations and contracts for services and construction, including BPAs, BOAs, and orders, for acquisitions that are evaluated, set-aside, or awarded on a sole source basis under this subpart. This includes orders awarded under multiple-award contracts to SDVOSBs/VOSBs.

(c) The contracting officer shall insert the clause at [852.219-76](#), VA Notice of Limitations on Subcontracting—Certificate of Compliance for Supplies and Products, in solicitations and contracts for supplies or products, including BPAs, BOAs, and orders, for acquisitions that are to be awarded on the basis of an SDVOSB/VOSB set-aside, sole source, or an evaluation preference under this subpart. This includes orders awarded under multiple-award contracts to SDVOSBs/VOSBs. The contracting officer shall tailor clause [852.219-76](#), and paragraph (a)(2)(iii) of the clause, as appropriate.

The Government's right to contract decreases for prior contract periods (base year or option year) is waived unless the Contracting Officer processes a contract modification no later than 30 days following the end of the base year for changes applicable to the base year, or 30 days following the end of each option year for changes applicable to that option year.

(e) An example of an adjustment calculation is provided herein for informational purposes only.

(1) The original contract price or line item prices for that contract term (e.g., base year) shall be used for all calculations during that particular contract term and new calculations shall be made for each and every contract adjustment period specified in paragraph (d) during that contract term.

(2) For purposes of this example, the contract prices for the line items as specified in paragraph (c) will be adjusted by the percentage calculated as follows:

⁶ Establish time periods for when the Contracting Officer will process adjustments. This could be "the first day of every quarter, January, April, July, and October" or "Annually on October 1st". or some other similar time periods. Since the Contracting Officer is responsible for initiating the change, the Contracting Officer must establish a reminder mechanism to ensure that the adjustments are accomplished within the time period specified.

Adjusting Index for the current period	196.6
Minus the Base Index	-188.0
Equals the Index Point Change	8.6
Index Point Change Divided by the Base Index	$8.6 / 188.0 = .0457^*$
Result Multiplied by 100 Equals the Percentage Change (The Index Point Change Percentage)	4.57%

*This figure shall be rounded to the fourth decimal place. When the fifth decimal is 1 to 4, the figure shall be rounded down, 5 to 9, rounded up.

(3) For a line item with an original bid price of \$25.00 and a 4.57 percent Index Point Change increase as of the first contract adjustment period, as shown above, the calculations for a new contract price for the first contract adjustment period would be as follows: $\$25.00 \times .0457 = \1.14 , $\$25 + \$1.14 = \$26.14^{**}$. The new contract price for this line item from the beginning of that first contract adjustment period until the start of the next contract adjustment period would be \$26.14 and the contracting officer would issue a contract modification reflecting this price change.

**The unit price adjustment shall be rounded up or down, as in paragraph (e)(1) above, to match the number of decimal places in the original bid.

(4) If the Adjusting Index went down for the second adjustment period, reflecting only a 3 percent Index Point Change increase over the Base Index, the new price for this sample line item would be reduced for the second contract adjustment period from \$26.14 to \$25.75 as follows: $\$25 \times .03 = \0.75 , $\$25 + \$0.75 = \$25.75$. Note that the calculations for the second contract adjustment period are based on the original contract price for that contract term of \$25.00. The contract price for this line item is modified to reflect this new price for the second contract adjustment period.

(5) At the start of the first option year and each subsequent option year period (as well as for each contract adjustment period specified in paragraph (d) during that option year, if different), the Contracting Officer shall recalculate the contract or unit prices for that first option year based on any changes between the Adjusting Index and the Base Index, from the original contract award date to the start of the first option period, and based on the Contractor's new option year prices. Assume the Contractor's bid price for the first option year for the above sample line item was \$25.50 and the calculations shown in paragraph (e)(1) of this clause at the start of the first option period reflected a 6 percent Index Point Change. The new contract price for this sample line item at the start of the first

option period would be calculated as follows: $\$25.50 \times .06 = \1.53 , $\$25.50 + \$1.53 = \$27.03$. The Contracting Officer would process a contract modification reflecting a revised contract price of \$27.03 for the first contract adjustment period in the first option year.

(f) Price adjustments pursuant to this clause, shall be documented by a contract modification issued by the Contracting Officer, show the Base Index (see paragraph (b)(1)), the Adjusting Index, the adjusted contract prices (see paragraph (c)), the mathematical calculations used to arrive at the adjusted contract prices, and the effective date of the adjustment (see paragraph (d)).

(g) At the start of each option year, the Contracting Officer shall, within 5 days of the start of the option year period, process a contract modification adjusting the option year prices by the then current Index Point Change percentage, if any, reflecting the new adjusted prices for that first contract adjustment period in that option year.

(h) In the event that _____⁷ discontinues, or alters substantially, its method of calculating the Index cited herein, the parties shall mutually agree upon an appropriate substitute for determining the price adjustment described herein. If the Contracting Officer determines that the Index consistently and substantially fails to reflect market conditions, the Contracting Officer may modify the contract to specify the use of an appropriate substitute index, effective on the date the Index specified herein begins to consistently and substantially fail to reflect market conditions.

(i) Any dispute arising under this clause shall be resolved subject to the "Disputes" clause of the contract.

(End of clause)

Notes:

⁷ Enter in the name of the entity whose index is used in the clause. In most cases when using this clause format, the index used would be a CPI-U Index and the Contracting Officer would enter "the U.S. Department of Labor".

852.216-72 Proportional Economic Price Adjustment of Contract Price(s) Based on a Price Index.

As prescribed in [816.203-4\(e\)\(2\)](#), insert the following clause:

**PROPORTIONAL ECONOMIC PRICE ADJUSTMENT OF CONTRACT PRICE(S)
BASED ON A PRICE INDEX (MAR 2018)**

(a) To the extent that contract cost increases are provided for by this economic price adjustment clause, the Contractor warrants that the prices in this contract for any option periods do not include any amount to protect against such contingent cost increases.

(b) The cost index, for the purpose of price adjustment under this clause, shall be _____⁸ as contained in _____⁹ as published by _____¹⁰. All adjustments authorized under this clause shall be made by _____¹¹ using the Base Index and Adjusting Indexes, which are published _____.

(1) The Base Index, for the purposes of price adjustment under this clause, shall be the most recent Index published prior to the closing date for receipt of offers, or the due date for receipt of best and final offers if discussions are held. This Base Index shall remain constant throughout the life of the contract, including all options.

(2) The Adjusting Index shall be the most recent Index published prior to the date of contract adjustment, as specified in paragraph (f)

Notes:

⁸ The Contracting Officer shall conduct market research to determine a suitable cost index for use in the solicitation. The index used is directly related to the type of commodity or service most likely to impact the Contractor and must approximately track the economic changes affecting the Contractor's costs. For transportation services, an appropriate index might be one that tracks the price of gasoline or diesel fuel. For example, in a solicitation for ambulance services, the Contracting Officer might enter into this block "the "Weekly U.S. Retail Gasoline Prices, Regular Grade" Index for New England" (or California or whichever index is the most appropriate).

⁹ Specify where the index can be found, such as in an example for gasoline, "the Energy Information Administration Web site (see [VAAM M816.203-70](#)).

¹⁰ Provide the information on who publishes the index, such as, in an example for gasoline, "the U.S. Department of Energy."

¹¹ State how often the index used is published, such as, in an example for an index for gasoline, "weekly each Monday at 5:00 p.m. (Eastern time)," or "Tuesday if Monday is a holiday."

(c) For purposes of this clause, it will be conclusively presumed that _____ percent (%)¹² of the price of _____¹³ represents the Base Cost of _____¹⁴ and the resulting Base Cost will be the basis upon which adjustment will be made under this clause. This Base Cost will be used in calculating all adjustments to the following line items: _____.¹⁵ A new Base Cost will be calculated for each option year period based on the new option year prices.

(d) The percentage of the price of the indexed commodity (see paragraph (c)) remains fixed throughout the life of the contract and is not subject to modification under this clause. Any pricing actions pursuant to the "Changes" clause or other clause or provision of the contract, except for this clause, will be priced as though there were no provisions for economic price adjustment.

(e) All price adjustments shall be applicable only to the specific contract adjustment period to which the calculations are made. For every contract adjustment period, new calculations shall be made and new prices determined. Every adjustment during the Base Year shall be based on the original contract prices for that contract year and every adjustment during an option year shall be based on the original contract prices for that option year. The Contracting Officer must make new calculations for each and every contract adjustment period specified in paragraph (f) and at the beginning of each new option year, if different.

(f) The dates of contract adjustment shall be _____¹⁶ and the starting dates of each option year, if not already included in these dates. The Contracting

Notes:

¹² Prior to issuing the solicitation, the Contracting Officer must conduct market research to determine an appropriate percentage to include in this paragraph. The percentage should reflect that portion of the unit price for the services or supplies being acquired that is applicable to the indexed commodity. For instance, in the case of an ambulance contract, research might indicate that, at the time the solicitation is being drafted and based on prior per-mile bid prices, the cost of gasoline accounts for 10% of the per mile cost of operating an ambulance. For example, if the prior bid price had been \$1.60 per mile, ambulances average 10 miles per gallon, and the cost of gasoline had been \$1.559 per gallon, 1 mile's worth of gasoline (\$.16) would be approximately ten (10) percent of the prior per mile bid price of \$1.60 per mile. This percent must be stated in the solicitation so that the same figure applies to all bidders. This figure remains constant throughout the life of the contract.

¹³ Enter in this block the portion of the contract that will be subject to price adjustment, e.g., "each one-way mile of ambulance services," or the line items that will be subject to price adjustment.

¹⁴ Enter in this block the commodity applicable to the index being used, as in an example for an ambulance contract, "regular grade gasoline".

¹⁵ Enter the line items that will be subject to adjustment, as in an example for an ambulance contract, the line items that reflect the one-way cost per mile for ambulance services for the base year and for each option year.

¹⁶ Establish time periods for when the Contracting Officer will process adjustments. This could be "the

Officer shall retain a copy of the Base Index in the contract file and, on each date of adjustment specified herein, obtain a copy of the Adjusting Index. The Contracting Officer shall calculate the adjustment due and shall, within 5 business days, issue a modification to the contract adjusting the contract or unit price(s). The adjusted contract or unit price(s) shall be effective for all orders placed or services provided after the date of contract adjustment, as specified in this paragraph (f), until the date of the next contract adjustment. If the Contracting Officer fails to act, the Contractor shall request a contract adjustment in writing and any subsequent adjustment shall be retroactive to the applicable date of contract adjustment. The Contractor's entitlement to price increases for a prior contract period (base year or option year) shall be waived unless the Contractor's written request for an adjustment under this clause is received by the Contracting Officer no later than 30 days following the end of the base year for changes applicable to the base year, or 30 days following the end of each option year for changes applicable to that option year. The Government's right to contract decreases for prior contract periods (base year or option year) shall be waived unless the Contracting Officer processes a contract modification no later than 30 days following the end of the base year for changes applicable to the base year, or 30 days following the end of each option year for changes applicable to that option year.

(g) An example of an adjustment calculation is provided herein for informational purposes only.

(1) For purposes of this example, assume that a contract is for ambulance services, that the contract price is \$2.10 per mile one way, that price adjustments will be made on the basis of the cost of gasoline, that the cost of gasoline represents 10% of the total cost per mile (the Base Cost is 10% of \$2.10 (the per mile one way price in Line Item X), or \$0.21), and that contract adjustments will be made quarterly. If the Base Index (the price of gasoline the week prior to receipt of bids) is \$1.559 per gallon and the price of gasoline at the first date of contract adjustment is \$2.129 per gallon, the calculations for contract price adjustment would be as follows:

Adjusting Index (most recent Index cost of gasoline as of the date of the first adjustment period)	\$2.129 per gallon
Minus the Base Index (Index cost of gasoline as of the date of receipt of offers)	-\$1.559 per gallon

first day of each month" or "the first day of every quarter, January, April, July, and October" or "annually on October 1st" or some other similar time periods. Since the Contracting Officer is responsible for initiating the change, the Contracting Officer must establish a reminder mechanism to ensure that the adjustments are accomplished on time.

Equals increase (or decrease) to the
Base Index \$0.570

Divide increase (or decrease) to the
Base Index by the Base Index $\$0.570 \div \$1.559 = .3656^*$
(36.56% increase)

Base Cost of \$0.21 (10% of \$2.10) multiplied by .3656 = \$0.0768 unit price increase.

New Unit price following the adjustment is \$2.10 plus \$0.0768 = \$2.1768 per mile (rounded to \$2.18)**

*This figure shall be rounded to the fourth decimal place. When the fifth decimal is 1 to 4, the figure shall be rounded down, 5 to 9, rounded up.

**The unit price adjustment shall be rounded up or down, as above, to match the number of decimal places in the original bid.

(2) For the second contract adjustment period, all calculations would be based on the original contract bid price for that contract year, \$2.10 per mile in this example. If the price of gasoline goes down during the second adjustment period to the original Base Index price of \$1.559 per gallon, the adjusted contract price for that second period would return to \$2.10 per mile (there would be a zero percent increase or decrease to the Base Cost and thus no change to the original bid price for that contract adjustment period). The Contracting Officer would then issue a contract modification returning the contract price from \$2.18 to \$2.10 per mile for that contract adjustment period. If, on the other hand, the price of gasoline actually went below the Base Index price, say to \$1.449 per gallon, the calculations for the second economic price adjustment period would be as follows:

Adjusting Index (most recent Index cost of gasoline as of the date of the second adjustment period)	\$1.449 per gallon
Minus the Base Index (Index cost of gasoline as of the date of receipt of offers)	-\$1.559 per gallon
Equals increase (or decrease) to Base Index	(\$0.110) (a negative \$.11)

Divide increase (or decrease) to the Base Index by the Base Index	$(\$0.11) + \$1.559 = (.0706)$ (7.06% decrease)
--	--

Base Cost of \$0.21 (10% of \$2.10) multiplied by (.0706) = (\$0.0148) unit price decrease.

New Unit price following the second economic price adjustment is \$2.10 minus \$0.0148 = \$2.0852 per mile (rounded to \$2.09).

(3) At the start of the first option year, the Contracting Officer shall recalculate the price per mile based on any changes in the price of gasoline from the original contract award date and based on the Contractor's new first option year price per mile. Assuming the Contractor's bid price per mile for the first option year was \$2.25 per mile, the new Base Cost for gasoline would be 10% of \$2.25, or \$0.225 (note that the original percent figure from paragraph (c) (10% in this sample) stays constant throughout the life of the contract), but the Base Cost would change if the option year contract price changes. If the Adjusting Index for gasoline at the start of the first option year was now up to \$1.899 per gallon, the new first option year price for the first contract adjustment period would be calculated as follows:

Adjusting Index (most recent Index cost of gasoline as of the first day of the first option period)	\$1.899 per gallon
---	--------------------

Minus the Base Index (Index cost of gasoline as of the date of receipt of offers)	\$1.559 per gallon
---	--------------------

Equals increase (or decrease) to the Base Index	\$0.340
---	---------

Divide the increase (or decrease) to the Base Index by the Base Index	$\$0.34 + \$1.559 = .2181$ (21.81% increase)
---	---

Base Cost of \$0.225 (10%* of \$2.25) multiplied by .2181 = \$0.0491 unit price increase.

New Unit price for the first contract adjustment period in the first option year is \$2.25 plus \$0.0491 = \$2.2991 per mile (rounded to \$2.30 per mile).

*Note that the percentage remains constant (10%) but that the Base Cost has been increased for the first contract adjustment period in the first option year, since the Base Cost is a percentage of the first option year unit cost per mile (in this sample),

and the unit cost per mile has increased in this sample for the first option year from \$2.10 to \$2.25.

Although the new unit price for the first contract adjustment period of the first option year following application of the economic price adjustment in this sample would be \$2.30 per mile, all economic price adjustment calculations made during that first option year would be based on the original first option year bid price (\$2.25 in this sample). If in the second contract adjustment period of the first option year, the calculations resulted in a unit price increase for gasoline of \$0.0332, the adjusted price for that period would be $\$2.25 + \$0.0332 = \$2.2832$, rounded to \$2.28 per mile.

(h) Price adjustments pursuant to this clause, which shall be made by contract modification issued by the Contracting Officer, shall show the Base Index (see paragraph (b)(1)), the Adjusting Index, the Base Cost (see paragraph (c)), the mathematical calculations used to arrive at the adjusted contract unit price, and the effective date of the adjustment.

(i) In the event that _____¹⁷ discontinues, or alters substantially, its method of calculating the Index cited herein, the parties shall mutually agree upon an appropriate substitute for determining the price adjustment described herein. If the Contracting Officer determines that the Index consistently and substantially fails to reflect market conditions, the Contracting Officer may modify the contract to specify use of an appropriate substitute index, effective on the date the Index specified herein begins to consistently and substantially fail to reflect market conditions.

(j) Any dispute arising under this clause shall subject to the "Disputes" clause of the contract.

(End of clause)

Notes:

¹⁷ Enter in the name of the entity whose index is used in the clause. In the example for ambulance services using the "Weekly U.S. Retail Gasoline Prices, Regular Grade" index; the Contracting Officer would enter the "Energy Information Administration, Department of Energy".

852.216-73 Economic Price Adjustment—State Nursing Home Care for Veterans.

As prescribed in [816.203-4\(e\)\(3\)](#), insert the following clause:

ECONOMIC PRICE ADJUSTMENT—STATE NURSING HOME CARE FOR VETERANS (MAR 2018)

This clause does not apply to rates for non-Medicaid nursing homes.

(a) *Rate Determination.* The per diem rate is established by the current Medicaid rate for Medicaid approved nursing home care plus a fair market amount (percentage) to cover the costs of supplies, services, and equipment above that provided under Medicaid established by the local State Medicaid Agency (SMA). Rates established after the effective date of this contract will require a modification to the contract by the Contracting Officer.

(1) The Medicaid rate covers room, board, and routine nursing care services.

(2) For all levels of nursing care a percentage is added for routine ancillary services/supplies, such as drugs, nursing supplies, oxygen (occasional use), x-ray, laboratory, physician visits, and rental equipment.

(3) Special equipment, e.g. Clinitron bed, is not considered routine ancillary services (and may not be provided by the VA).

(4) Drug costs which comprise more than eight and one-half percent (8.5%) of the per diem rate are generally not considered routine ancillary supplies (and may not be provided by the VA).

(5) Rehabilitation therapies will be provided as distinct levels of care, *i.e.*, skilled, intermediate, and custodial care. Hospice Care and Dialysis are not included in the rate. Payment for Hospices and Dialysis services is provided by the VA or other payers as determined by the Veteran with the VA's Approval.

(b) *Economic Price Adjustment.* This clause does not apply to ancillary services that may be added or deleted from the agreement.

(1) The per diem rate(s) will apply throughout the term of this contract, including extension period(s). The rate(s) may be adjusted only to reflect a change in a Medicaid rate as authorized by the SMA. Normally, this will be on an annual basis. The negotiated percentage above the Medicaid rate, to cover the all-inclusive nature of the contract, will not be renegotiated; but will be applied and added to the new Medicaid rate for the adjusted per diem rate for each level of care item. In this regard, new rates will be negotiated requiring a modification to the contact. Each per diem price adjustment under this clause is subject to the following limitations:

(2) Any adjustment shall be limited to the effect of increases or decreases in the approved SMA's patient care components within the affected Medicaid groups.

(3) Adjustments will occur no more frequently than those issued by the SMA.

(4) No adjustments are made until the Contracting Officer receives from the SMA an authenticated copy of the new rates signed and dated at the top right of the document by the authorized nursing home official. Within ten days after this occurs, the Contracting Officer will execute an approval signature and date at the approximate locations of the nursing home official's signature, the action of which will serve as the effective date of the adjusted rate. A copy of the fully executed document will be sent to the nursing home official for record keeping purposes.

(End of clause)

852.216-74 Economic Price Adjustment—Medicaid Labor Rates.

As prescribed in [816.203-4\(e\)\(4\)](#), insert the following clause:

ECONOMIC PRICE ADJUSTMENT—MEDICAID LABOR RATES (MAR 2018)

This clause does not apply to rates for non-Medicaid nursing homes.

(a) The Contractor shall notify the Contracting Officer if, at any time during contract performance, the Medicaid rate set by the State Medical Agency (SMA) for contract line item increases or decreases in the Schedule. The Contractor shall furnish this notice within 60 days after the increase or decrease, or within any additional period that the Contracting Officer may approve in writing, but not later than the date of final payment under this contract. The notice shall include the Contractor's proposal for an adjustment in the contract unit prices to be negotiated under paragraph (b) of this clause, and shall include, in the form required by the Contracting Officer, supporting data explaining the cause, effective date, and the amount of the increase or decrease and the amount of the Contractor's adjustment proposal.

(b) The Contracting Officer and the Contractor shall negotiate a price adjustment to the contract's unit prices and its effective date upon receipt of the notice and data under paragraph (a) of this clause. However, the Contracting Officer may postpone the negotiations until an accumulation of increases and decreases of the Medicaid labor rates (including fringe benefits) shown in the Schedule results in an adjustment allowable under paragraph (c)(3) of this clause. The Contracting Officer shall modify this contract as follows:

(1) Include the price adjustment and its effective date;

(2) Revise the Medicaid labor rates (including fringe benefits) as shown in the Schedule to reflect the increases or decreases resulting from the SMA adjustment. The Contractor shall continue performance pending agreement on, or determination of, any adjustment and its effective date.

(c) Any price adjustment under this clause is subject to the following limitations:

(1) Adjustment shall be limited to the effect on unit prices of the increases or decreases of the Medicaid rates of pay for labor (including fringe benefits) shown in the Schedule. There shall be no adjustment for changes in rates or unit prices other than those shown in the Schedule.

(2) No upward adjustment shall apply to supplies or services that are required to be delivered or performed before the effective date of the adjustment, unless the Contractor's failure to deliver or perform according to the delivery schedule results from causes beyond the Contractor's control and without its fault or negligence, within the meaning of the Default clause.

(3) There shall be no adjustment for any change in rates of pay for labor (including fringe benefits) or unit prices for material which would not result in a net change of at least three percent of the then-current total contract price. This limitation shall not apply, however, if, after final delivery of all contract line items, either party requests an adjustment under paragraph (b) of this clause.

(4) The aggregate of the increases in any contract unit price made under this clause shall not exceed 10 percent of the original unit price. There is no percentage limitation on the amount of decreases made under this clause.

(d) The Contracting Officer, precluding certified cost and pricing data may examine the Contractor's books, records, and other supporting data relevant to the cost of labor (including fringe benefits) and material during all reasonable times until the end of 3 years after the date of final payment under this contract or the time periods specified in [Subpart 4.7](#) of the [Federal Acquisition Regulation \(FAR\)](#), whichever is earlier.

(End of clause)

852.216-75 Economic Price Adjustment Clause—Fuel Surcharge.

As prescribed in [816.203-4\(e\)\(5\)](#), insert the following clause:

ECONOMIC PRICE ADJUSTMENT CLAUSE—FUEL SURCHARGE (NOV 2021)

(a) To the extent that contract fuel cost increases are provided for by this economic price adjustment clause, the Contractor warrants that the prices in this

contract for any option periods do not include any amount to protect against such contingent fuel cost increases.

(b) The fuel cost index, for the purpose of price adjustment under this clause, shall be the "Weekly Retail On-Highway Diesel Prices Index." The Base Fuel Cost, for the purpose of price adjustments under this clause, shall be the most recent Index Weekly Average Diesel Fuel Price per gallon published prior to the closing date for receipt of offers, or the due date for receipt of final proposal revisions if discussions are held.

(c) For purposes of this clause, it will be conclusively presumed that x% increase or decrease of the Base Fuel Cost represents a reasonable fluctuation of diesel fuel prices. The Base Fuel Cost (+ / -) x% price range will be determined for the base contract year and will remain constant throughout the life of the contract, including option years. Base Fuel Cost price range is documented at time of contract award.

(d) Increases (or decreases) in the diesel fuel costs (Base Fuel Cost x%) as listed on the Index two weeks prior to the end of each calendar quarter can trigger a request from the Contractor to the Government (or from the Government to the Contractor) for cost adjustments. Notice must be in writing to the Subsistence Prime Vendor (SPV) Contracting Officer (or Contracting Officer's Representative) no less than ten days prior to the beginning of the next quarter.

(e) Since fuel cost is only a part of the SPV Contracted distribution cost, the adjustment will be made as a penny per delivered case for every ten cent fuel price per gallon increase or decrease to the Base Fuel Cost x%. The difference is rounded down to the nearest whole cent and will be added to last line of each invoice noted as "Fuel Adjustment".

Example calculation of fuel price change:	Price \$2.50 Base (+ or -) 15% Average National Diesel Fuel \$2.88 - \$2.13
3rd QTR (3rd week June) first year	\$3.05 - 2.88 = \$.17 (rounded down to 10 cents) Add one cent per delivered case to each invoice, starting first Monday of July.
Fuel Price \$3.05 Calculation:	
3rd QTR Diesel Fuel Price decrease	\$2.13 - 1.80 = \$.33 (rounded down to \$.30 cents) Credit each invoice
\$1.80 Calculation:	\$.03 cents per delivered case.

(f) Once approved, the date for contract fuel price adjustment will be the first Monday of the first month of each quarter unless otherwise designated at time of contract award.

(g) The Contracting Officer shall retain a copy of the Base Fuel Index establishing the Base Fuel Cost and the calculation of the price range incorporating the (+/-) x% adjustment in the contract file. All subsequent changes will be documented within the contract file and communicated to the Contractor and VA SPV customers via email one week prior to the fuel price adjustment implementation.

(h) Any adjustments for fuel price changes will only be implemented if requested in writing, reviewed by both parties, and provided within the designated time frames. No retroactive cost adjustments will be made. A contract modification will be issued at inception of first increase or decrease detailing Base Fuel Cost, price range, and calculation of first fuel adjustment charge. Adjustment will remain in effect with quarterly calculation changes as needed until price falls within Base Fuel Cost price range. A contract modification will be issued to terminate the adjustment when price returns to Base Fuel Cost (+/-) % price range.

(i) In the event that "the Energy Information Administration, Department of Energy" discontinues, or substantially alters its method of calculating the national average diesel fuel prices cited herein, the parties shall mutually agree upon an appropriate substitute for determining the price adjustment described herein. If the Contracting Officer determines the Index consistently and substantially fails to reflect market conditions, the Contracting Officer may modify the contract to specify use of an appropriate substitute Index, effective on the date the Index specified herein begins to consistently and substantially fail to reflect market conditions.

(j) Any dispute arising under this clause shall be determined in accordance with and subject to the "Disputes" clause of the contract.

(End of clause)

852.216-76 Requirements—Supplement for Mortuary Services.

As prescribed in [816.506-70](#), use the following clause:

REQUIREMENTS—SUPPLEMENT FOR MORTUARY SERVICES (OCT 2019)

(a) Except as provided in paragraphs (c) and (d) of this clause, the Government will order from the Contractor all of its requirements in the area of performance for the supplies and services listed in the schedule of this contract.

(b) Each order will be issued as a delivery order and will list—

(1) The supplies or services being ordered;

- (2) The quantities to be furnished;
- (3) Delivery or performance dates;
- (4) Place of delivery or performance;
- (5) Packing and shipping instructions;
- (6) The address to send invoices; and
- (7) The funds from which payment will be made.

(c) The Government may elect not to order supplies and services under this contract in instances where the body is removed from the area for medical, scientific, or other reason.

(d) In an epidemic or other emergency, the contracting activity may obtain services beyond the capacity of the Contractor's facilities from other sources.

(e) Contracting Officers of the following activities may order services and supplies under this contract:

(End of clause)

852.217-70 Contract Action Definitization.

As prescribed in [817.7005\(a\)](#), insert the following clause:

CONTRACT ACTION DEFINITIZATION (JUL 2019)

(a) A [*Insert specific type of contract action*] is contemplated. The Contractor agrees to begin promptly negotiating with the Contracting Officer the terms of a definitive contract action that will include all clauses required by the Federal Acquisition Regulation ([FAR](#)) on the date of execution of the undefinitized contract action, all clauses required by law on the date of execution of the definitive contract action, and any other mutually agreeable clauses, terms, and conditions. The Contractor agrees to submit a _____ [*Insert type of proposal, e.g., fixed-price, or cost-and-fee*] proposal with cost or pricing data, as appropriate, supporting it.

(b) The schedule for definitizing this contract action is as follows [*Insert target date for definitization of the contract action and dates for submission of proposal, beginning of negotiations, and, if appropriate, submission of the make-or-buy plans, subcontracting plans, and cost or pricing data*].

(c) If agreement on a definitive contract action to supersede this undefinitized contract action is not reached by the target date in paragraph (b) of this clause, or within any extension of it granted by the Contracting Officer, the Contracting Officer may, with the approval of a Contracting Officer one level above, determine a reasonable price or fee in accordance with [FAR subpart 15.4](#) and [FAR part 31](#), subject to Contractor appeal as provided in the Disputes clause. In any event, the Contractor shall proceed with completion of the contract, subject only to [FAR 52.216-24](#), Limitation of Government Liability.

(1) After the Contracting Officer's determination of price or fee, the contract shall be governed by—

(i) All clauses required by the [FAR](#) on the date of execution of this undefinitized contract action for either fixed-price or cost-reimbursement contracts, as determined by the Contracting Officer under this paragraph (c);

(ii) All clauses required by law as of the date of the Contracting Officer's determination; and

(iii) Any other clauses, terms, and conditions mutually agreed upon.

(d) To be credited toward goal achievements, SDVOSB/VOSBs must be verified as eligible in the VA's Vendor Information Pages (VIP) database at <https://www.vetbiz.va.gov/vip/>. A contractor may reasonably rely on a subcontractor's status as shown in the VIP database as of the date of subcontract award, provided the contractor retains records of the results of the VIP database query.

(e) The Contractor shall annually submit a listing of SDVOSB/VOSB (for which credit toward goal achievement is to be applied) for review by personnel in the Office of Small and Disadvantaged Business Utilization. Use VA Form 0896A, Report of Subcontracts to Small and Veteran-Owned Business.

to processing any novation agreement(s). The contracting activity may assign contract administration functions to a contract administration office.

(f) The Contractor agrees:

(1) To notify the Contracting Officer, simultaneous with its notification to SBA (as required by SBA's 8(a) regulations), when the owner or owners upon whom 8(a) eligibility is based plan to relinquish ownership or control of the concern.

(2) Consistent with 15 U.S.C. 637(a)(21), transfer of ownership or control shall result in termination of the contract for convenience, unless SBA waives the requirement for termination prior to the actual relinquishing of ownership and control.

(a) *Definition.* For the Department of Veterans Affairs, “*Service-disabled Veteran-owned small business concern or SDVOSB*”:

(1) Means a small business concern—

(i) Not less than 51 percent of which is owned by one or more service-disabled Veterans or, in the case of any publicly owned business, not less than 51 percent of the stock of which is owned by one or more service-disabled Veterans or eligible surviving spouses (see VAAR [802.101](#), Surviving Spouse definition);

(ii) The management and daily business operations of which are controlled by one or more service-disabled Veterans (or eligible surviving spouses) or, in the case of a service-disabled Veteran with permanent and severe disability, the spouse or permanent caregiver of such Veteran;

(iii) The business meets Federal small business size standards for the applicable North American Industry Classification System (NAICS) code identified in the solicitation document;

(iv) The business has been verified for ownership and control pursuant to 38 CFR part 74 and is listed in VA's Vendor Information Pages (VIP) database at <https://www.vetbiz.va.gov/vip/>; and

(v) The business will comply with VAAR subpart [819.70](#) and Small Business Administration (SBA) regulations regarding small business size and government contracting programs at 13 CFR parts 121 and 125, provided that any reference therein to a service-disabled veteran-owned small business concern or SDVO SBC, is to be construed to apply to a VA verified and VIP-listed SDVOSB, unless otherwise stated in this clause.

(2) The term "Service-disabled Veteran" means a Veteran, as defined in 38 U.S.C. 101(2), with a disability that is service-connected, as defined in 38 U.S.C. 101(16).

(3) The term "small business concern" has the meaning given that term under section 3 of the Small Business Act (15 U.S.C. 632).

(4) The term "small business concern owned and controlled by Veterans with service-connected disabilities" has the meaning given the term "*small business concern owned and controlled by service-disabled veterans*" under section 3(q)(2) of the Small Business Act (15 U.S.C. 632(q)(2)), except that for a VA contract the firm must be listed in the VIP database (see paragraph (a)(1)(iv) of this clause).

(b) *General.* (1) Offers are solicited only from VIP-listed SDVOSBs. Offers received from entities that are not VIP-listed SDVOSBs at the time of offer shall not be considered.

(2) Any award resulting from this solicitation shall be made to a VIP-listed SDVOSB who is eligible at the time of submission of offer(s) and at the time of award.

(3) The requirements in this clause apply to any contract, order or subcontract where the firm receives a benefit or preference from its designation as an SDVOSB, including set-asides, sole source awards, and evaluation preferences.

(c) *Representation.* Pursuant to 38 U.S.C. 8127(e), only VIP-listed SDVOSBs are considered eligible to receive award of a resulting contract. By submitting an offer, the prospective contractor represents that it is an eligible SDVOSB as defined in this clause, 38 CFR part 74, and VAAR subpart [819.70](#).

(d) *Agreement.* When awarded a contract action, including orders under multiple-award contracts, an SDVOSB agrees that in the performance of the contract, the SDVOSB shall comply with requirements in VAAR subpart [819.70](#) and SBA regulations on small business size and government contracting programs at 13 CFR part 121 and part 125, including the non-manufacturer rule and limitations on subcontracting requirements in 13 CFR 121.406(b) and 13 CFR 125.6. Unless otherwise stated in this clause, a requirement in 13 CFR parts 121 and 125 that applies to an SDVO SBC, is to be construed to also apply to a VIP-listed SDVOSB. For the purpose of limitations on subcontracting, only VIP-listed SDVOSBs (including independent contractors) shall be considered eligible and/or “similarly situated” (i.e., a firm that has the same small business program status as the prime contractor). An otherwise eligible firm further agrees to comply with the required certification requirements in this solicitation (see [852.219-75](#) or [852.219-76](#) as applicable). These requirements are summarized as follows:

(1) *Services.* In the case of a contract for services (except construction), the SDVOSB prime contractor will not pay more than 50% of the amount paid by the government to the prime for contract performance to firms that are not VIP-listed SDVOSBs (excluding direct costs to the extent they are not the principal purpose of the acquisition and the SDVOSB/VOSB does not provide the service, such as airline travel, cloud computing services, or mass media purchases). When a contract includes both services and supplies, the 50 percent limitation shall apply only to the service portion of the contract.

(2) *Supplies/products.* (i) In the case of a contract for supplies or products (other than from a non-manufacturer of such supplies), the SDVOSB prime contractor will not pay more than 50% of the amount paid by the government to the prime for contract performance, excluding the cost of materials, to firms that are not VIP-listed SDVOSBs. When a contract includes both supply and services, the 50 percent limitation shall apply only to the supply portion of the contract.

(ii) In the case of a contract for supplies from a non-manufacturer, the SDVOSB prime contractor will supply the product of a domestic small business manufacturer or processor, unless a waiver as described in 13 CFR 121.406(b)(5) has been granted. Refer to 13 CFR 125.6(a)(2)(ii) for guidance pertaining to multiple item procurements.

(3) *General construction.* In the case of a contract for general construction, the SDVOSB prime contractor will not pay more than 85% of the amount paid by the government to the prime for contract performance, excluding the cost of materials, to firms that are not VIP-listed SDVOSBs.

(4) *Special trade construction contractors.* In the case of a contract for special trade contractors, no more than 75% of the amount paid by the government to the prime for contract performance, excluding the cost of materials, may be paid to firms that are not VIP-listed SDVOSBs.

(5) *Subcontracting*. An SDVOSB must meet the NAICS size standard assigned by the prime contractor and be listed in VIP to count as similarly situated. Any work that a first tier VIP-listed SDVOSB subcontractor further subcontracts will count towards the percent of subcontract amount that cannot be exceeded. For supply or construction contracts, the cost of materials is excluded and not considered to be subcontracted. When a contract includes both services and supplies, the 50 percent limitation shall apply only to the portion of the contract with the preponderance of the expenditure upon which the assigned NAICS is based. For information and more specific requirements, refer to 13 CFR 125.6.

(e) *Required limitations on subcontracting compliance measurement period*. An SDVOSB shall comply with the limitations on subcontracting as follows:

[Contracting Officer check as appropriate.]

_____ By the end of the base term of the contract or order, and then by the end of each subsequent option period; or

_____ By the end of the performance period for each order issued under the contract.

(f) *Joint ventures*. A joint venture may be considered eligible as an SDVOSB if the joint venture is listed in VIP and complies with the requirements in 13 CFR 125.18(b), provided that any requirement therein that applies to an SDVO SBC is to be construed to apply to a VIP-listed SDVOSB. A joint venture agrees that, in the performance of the contract, the applicable percentage specified in paragraph (d) of this clause will be performed by the aggregate of the joint venture participants.

(g) *Precedence*. The VA Veterans First Contracting Program, as defined in VAAR [802.101](#), subpart [819.70](#), and this clause, takes precedence over any inconsistencies between the requirements of the SBA Program for SDVO SBCs, and the VA Veterans First Contracting Program.

(h) *Misrepresentation*. Pursuant to 38 USC 8127(g), any business concern, including all its principals, that is determined by VA to have willfully and intentionally misrepresented a company's SDVOSB status is subject to debarment from contracting with the Department for a period of not less than five years (see VAAR [809.406-2](#) Causes for Debarment).

As prescribed in [836.501](#), insert the following clause:

PERFORMANCE OF WORK BY THE CONTRACTOR (APR 2019)

(a) In accordance with [FAR 52.236-1](#), the contract work accomplished on the

site by laborers, mechanics, and foreman/superintendent on the Contractor's payroll and under their direct supervision shall be used in establishing the percent of work to be performed by the Contractor. Cost of material and equipment installed by such labor may be included. The work by the Contractor's executive, administrative and clerical forces shall be excluded in establishing compliance with the requirements of this clause.

(b) The Contractor shall submit, simultaneously with the schedule of costs required by the Payments under Fixed-Price Construction Contracts clause of the contract, a statement designating the portions of contract work to be performed with the Contractor's own forces. The approved schedule of costs will be used in determining the value of a work activity/event, or portions thereof, of the work for the purpose of this article.

(c) Changes to established activity/event identifiers or responsibility codes for Contractor activities shall not be made without approval from the Contracting Officer.

(d) In the event the Contractor fails to comply with [FAR 52.236-1](#), Performance of Work by the Contractor, the Contracting Officer will withhold retention in the amount of 15% of the value of any work activity/element being invoiced that was not authorized by the Contracting Officer to be performed by someone other than the prime Contractor's own workforce.

(End of clause)

(b) The Contractor shall submit, simultaneously with the cost per activity of the construction schedule required by Section 01310 or 01311, NETWORK ANALYSIS SYSTEM, a responsibility code for all activities of the network for which the Contractor's forces will perform the work. The cost of these activities will be used in determining the portions of the total contract work to be executed by the Contractor's forces for the purpose of this article.

852.236-80 Subcontracts and Work Coordination.

As prescribed in [836.574](#), insert the following clause:

SUBCONTRACTS AND WORK COORDINATION (APR 2019)

(a) Nothing contained in this contract shall be construed as creating any contractual relationship between any subcontractor and the Government. Divisions or sections of specifications are not intended to control the Contractor in dividing work among subcontractors, or to limit work performed by any trade.

(b) The Contractor shall be responsible to the Government for acts and omissions of his/her own employees, and of the subcontractors and their employees. The Contractor shall also be responsible for coordination of the work of the trades, subcontractors, and material suppliers.

(c) The Government or its representatives will not undertake to settle any differences between the Contractor and subcontractors or between subcontractors.

(d) The Government reserves the right to refuse to permit employment on the work, or require dismissal from the work, of any subcontractor or subcontractor employee who, by reason of previous unsatisfactory work on Department of Veterans Affairs projects or for any other reason, is considered by the Contracting Officer to be incompetent, careless, or otherwise objectionable.

(End of clause)

Alternate 1 (APR 2019). For new construction work with complex mechanical-electrical work, the following paragraph relating to work coordination may be substituted for paragraph (b) of the basic clause:

(b) The Contractor shall be responsible to the Government for acts and omissions of his/her own employees, and subcontractors and their employees. The Contractor shall also be responsible for coordination of the work of the trades, subcontractors, and material suppliers. The Contractor shall, in advance of the work, prepare coordination drawings showing the location of openings through slabs, the pipe sleeves and hanger inserts, as well as the location and elevation of utility lines, including, but not limited to, conveyor systems, pneumatic tubes, ducts, and conduits and pipes two inches and larger in diameter. These drawings, including plans, elevations, and sections as appropriate, shall clearly show the manner in which the utilities fit into the available space and relate to each other and to existing building elements. Drawings shall be of appropriate scale to satisfy the previously stated purposes, but not smaller than 3/8-inch scale. Drawings may be composite (with distinctive colors for the various trades) or may be separate but fully coordinated drawings (such as sepias or photographic paper reproducibles) of the same scale. Separate drawings shall depict identical building areas or sections and shall be capable of being overlaid in any combination. The submitted drawings for a given area of the project shall show the work of all trades that will be involved in that particular area. Six complete composite drawings or six complete sets of separate reproducible drawings shall be received by the Government not less than 20 days prior to the scheduled start of the work in the area illustrated by the drawings, for the purpose of showing the Contractor's planned methods of installation. The objectives of such drawings are to promote carefully planned work sequence and proper trade coordination, in order to assure the expeditious solutions of problems and the installation of lines and equipment as contemplated by the contract documents while avoiding or minimizing additional costs to the Contractor and to the Government. In the event the Contractor, in coordinating the various installations and in planning the method of installation, finds a conflict in location or elevation of any of the utilities with themselves, with structural items or with other construction items, he/she shall bring this conflict to the attention of the Contracting Officer immediately. In doing so, the Contractor shall explain the proposed method of solving the problem or shall request instructions as to how to proceed if adjustments beyond those of usual trades' coordination are necessary. Utilities installation work will not proceed in any area prior to the submission and completion of the Government review of the coordinated drawings for that area, nor in any area in which conflicts are disclosed by the coordination drawings, until the conflicts have been corrected to the satisfaction of the Contracting Officer. It is the responsibility of the Contractor to submit the required drawings in a timely manner consistent with the requirements to complete the work covered by this contract within the prescribed contract time.

**RESTRICTION ON SUBMISSION AND USE OF EQUAL PRODUCTS
(APR 2019)**

This clause applies to the following items: (*Contracting Officer fill-in*)

Notwithstanding the "Material and Workmanship" clause of this contract, [FAR 52.236-5\(a\)](#), nor any other clause or provision, only brand name products for the items listed above will be authorized for use on this contract.

852.236-92 Notice to Bidders—Additive or Deductive Bid Line Items.

As prescribed in [836.580](#), insert the following provision:

**NOTICE TO BIDDERS—ADDITIVE OR DEDUCTIVE BID LINE ITEMS
(APR 2019)**

(a) Additive or deductive line items in the bid schedule shall be evaluated to determine the low offeror and the items to be awarded. The evaluation shall be made as follows—

(1) Prior to the opening of bids, the Government will determine the amount of funds available for the project.

(2) The low bid shall be the Bidder that—

(i) Is otherwise eligible for award; and

(ii) Offers the lowest aggregate amount for the first or base line item, plus or minus (in the order stated in the list of priorities in the bid schedule) those additive or deductive line items that provide the most features within the funds determined available.

(3) All bids shall be evaluated on the basis of the same additive or deductive line items.

(i) If adding another item from the bid schedule list of priorities would make the award exceed the available funds for all offerors, the Contracting Officer will skip that item and go to the next item from the bid schedule of priorities; and

(ii) Add that next item if an award may be made that includes that line item and is within the available funds.

(b) The Contracting Officer will use the list of priorities in the bid schedule only to determine the low offeror. After determining the low offeror, an award may be made on any combination of items if—

(1) It is in the best interest of the Government;

(2) Funds are available at the time of award; and

(3) The low offeror's price for the combination to be awarded is less than the price offered by any other responsive, responsible offeror.

(c) Example: "The amount available is \$100,000. Offeror A's base bid and four additives (in the order stated in the list of priorities in the bid Schedule) are \$85,000, \$10,000, \$8,000, \$6,000, and \$4,000. Offeror B's base bid and four additives are \$80,000, \$16,000, \$9,000, \$7,000, and \$4,000. Offeror A is the low offeror. The aggregate amount of offeror A's bid for purposes of award would be \$99,000, which includes a base bid plus the first and fourth additives. The second and third additives were skipped because each of them would cause the aggregate bid to exceed \$100,000."

(End of provision)

852.237-70 Indemnification and Medical Liability Insurance.

As prescribed in [837.403-70\(a\)](#), insert the following clause:

INDEMNIFICATION AND MEDICAL LIABILITY INSURANCE (OCT 2019)

(a) It is expressly agreed and understood that this is a non-personal services contract, as defined in Federal Acquisition Regulation (FAR) [37.101](#), under which the professional services rendered by the Contractor or its health-care providers are rendered in its capacity as an independent contractor. The Government may evaluate the quality of professional and administrative services provided but retains no control over professional aspects of the services rendered, including by example, the Contractor's or its health-care providers' professional medical judgment, diagnosis, or specific medical treatments. The Contractor and its health-care providers shall be liable for their liability-producing acts or omissions. The Contractor shall maintain or require all health-care providers performing under this contract to maintain, during the term of this contract, professional liability insurance issued by a responsible insurance carrier of not less than the following amount(s) per specialty per occurrence: [Contracting Officer's Note: Insert the dollar amount value(s) of standard coverage(s) prevailing within the local community as to the specific medical specialty, or specialties, concerned, or such higher amount as the Contracting Officer deems necessary to protect the Government's interests.] However, if the Contractor is an entity or a subdivision of a State that either provides for self-insurance or limits the liability or the amount of insurance purchased by State entities, then the insurance requirement of this contract shall be fulfilled by incorporating the provisions of the applicable State law.

(b) An apparently successful offeror, upon request of the Contracting Officer, shall, prior to contract award, furnish evidence of the insurability of the offeror and/or of all health-care providers who will perform under this contract. The submission shall provide evidence of insurability concerning the medical liability insurance required by paragraph (a) of this clause or the provisions of State law as to self-insurance, or limitations on liability or insurance.

(c) The Contractor shall, prior to commencement of services under the contract, provide to the Contracting Officer Certificates of Insurance or insurance policies evidencing the required insurance coverage and an endorsement stating that any cancellation or material change adversely affecting the Government's interest shall not be effective until 30 days after the insurer or the Contractor gives written notice to the Contracting Officer. Certificates or policies shall be provided for the Contractor and/or each health-care provider who will perform under this contract.

(d) The Contractor shall notify the Contracting Officer within 5 days of becoming aware of a change in insurance providers during the performance period of this contract for all health-care providers performing under this contract. The notification

shall provide evidence that the Contractor and/or health-care providers will meet all the requirements of this clause, including those concerning liability insurance and endorsements. These requirements may be met either under the new policy, or a combination of old and new policies, if applicable.

(e) The Contractor shall insert the substance of this clause, including this paragraph (e), in all subcontracts for health-care services under this contract. The Contractor shall be responsible for compliance by any subcontractor or lower-tier subcontractor with the provisions set forth in paragraph (a) of this clause. At least 5 days before the commencement of work by any subcontractor, the Contractor shall furnish to the Contracting Officer evidence of such insurance.

The statutory prohibition also applies to indoor facilities that are constructed, operated, or maintained with Federal funds.

(b) By acceptance of this contract or order, the Contractor agrees to comply with the requirements of the Act. The Act also applies to all subcontracts awarded under this contract for the specified children’s services. Accordingly, the Contractor shall ensure that each of its employees, and any subcontractor staff, is made aware of, understands, and complies with the provisions of the Act. Failure to comply with the Act may result in the imposition of a civil monetary penalty in an amount not to exceed \$1,000 for each violation and/or the imposition of an administrative compliance order on the responsible entity. Each day a violation continues constitutes a separate violation.

(End of clause)

852.237–72 Crime Control Act—Reporting of Child Abuse.

(b) The Contractor shall comply with the requirements of the Act. The Act also applies to all applicable subcontracts awarded under this contract. Accordingly, the Contractor shall ensure that each of its employees, and any subcontractor staff, is made aware of, understands, and complies with the provisions of the Act.

(b) The Contracting Officer will provide the necessary information to the Contractor regarding the process for obtaining the background check. The Contractor may hire a staff person provisionally prior to the completion of a background check, if at all times prior to the receipt of the background check during which children are in the care of the newly-hired person, the person is within the sight and under the supervision of a previously investigated staff person.

(c) The Contractor shall comply with the requirements of the Act. The Act also applies to all applicable subcontracts awarded under the contract. Accordingly, the Contractor shall ensure that each of its employees, and any subcontractor staff, is made aware of, understands, and complies with the provisions of the Act.

By acceptance of this contract, the contractor agrees to comply with this policy in supporting the program and in performing the services called for under this contract. The contractor shall include this clause in all sub-contracts awarded under this contract for supporting or performing the specified program and services. Accordingly, the contractor shall ensure that each of its employees, and any sub-contractor staff, is made aware of, understands, and complies with this policy.

At least 30 days prior to the contractor voluntarily diverting any of the specified individuals to other programs or contracts the Contractor shall notify the Contracting Officer and shall submit a justification for the diversion or replacement and a request to replace the individual. The request must identify the proposed replacement and provide an explanation of how the replacement's skills, experience, and credentials meet or exceed the requirements of the contract. The Contractor shall not divert, replace, or announce any such change to key personnel without the written consent of the Contracting Officer. (End of provision)

(c) The Contractor will not be reimbursed for transportation when both the place where the remains were located and the delivery point are within the area of performance.

(d) If remains are located outside the area of performance, the Contracting Officer may place an order with the Contractor under this contract or may obtain the services elsewhere. If the Contracting Officer requires the Contractor to transport the remains into the area of performance, the Contractor shall be paid the amount per mile in the schedule for the number of miles required to transport the remains by a reasonable route from the point where located to the boundary of the area of performance.

852.243-70 Construction Contract Changes—Supplement.

As prescribed in [843.205-70](#), the Contracting Officer shall insert this clause in solicitations and contracts for construction that are expected to exceed the micro-purchase threshold. The Contracting Officer shall fill in the number of days in which a Contractor must assert its right to an equitable adjustment; however, such amount shall not exceed 60 calendar days.

CONSTRUCTION CONTRACT CHANGES—SUPPLEMENT (SEP 2019)

The FAR clauses [52.243-4](#) Changes, [52.243-5](#) Changes and Changed Conditions and [52.236-2](#) Differing Site Conditions are supplemented as follows:

(a) Submission of request for equitable adjustment proposals. When directed by the Contracting Officer or requested by the Contractor, the Contractor shall submit proposals for changes in the work in writing to the Contracting Officer or Administrative Contracting Officer (ACO).

(1) The Contractor must provide an itemized breakdown for changes exceeding the micro-purchase threshold (see [FAR 2.101](#)).

(2) The itemized breakdown shall include materials, quantities, unit prices, labor costs (separated into trades), construction equipment, etc. Labor costs shall be identified with specific material placed or operation performed.

(3) Proposals shall be submitted to the Contracting Officer or ACO as expeditiously as possible, but not later than [fill-in] calendar days, after receipt of a written change order by the Contracting Officer.

(4) Proposals shall be signed by each subcontractor participating in the change.

(5) The Contracting Officer will consider issuing a settlement by determination to the contract if the Contractor's proposal required by paragraph (a)(3) of this clause is not received within the time period specified in paragraph (a)(3), or if agreement has not been reached.

(b) Paragraphs (a)(1) through (5) of this clause and the following paragraphs (b)(1) and (2) apply to proposals for changes in the work costing \$500,000 or less:

(1) As a basis for negotiation, allowances not to exceed 10 percent each for overhead and profit for the party performing the work will be based on the value of

labor, material, and equipment required to accomplish the change. As the value of the change increases, a declining scale will be used in negotiating the percentage of overhead and profit. This declining scale will also be used to negotiate the prime Contractor's or upper-tier subcontractor's fee when work is performed by lower-tier subcontractors and will be based on the net increased cost to the prime or upper-tier subcontractor, as applicable. Profit (fee) shall be computed by multiplying the profit percentage by the sum of the direct costs and computed overhead costs. Allowable percentages on changes will not exceed the following;

- (i) 10 percent overhead and/or 10 percent profit (fee) on the first \$20,000;
- (ii) 7-1/2 percent overhead and/or 7-1/2 percent profit (fee) on the next \$30,000;
- (iii) 5 percent overhead and/or 5 percent profit (fee) on a balance over \$50,000.

(2) The Contracting Officer will consider issuing a settlement by determination to the contract if the Contractor's proposal required by paragraph (3) is not received within 30 calendar days, or if agreement has not been reached.

(c)(1) Overhead and Contractor's fee percentages shall be considered to include insurance other than mentioned herein, field and office supervisors and assistants, security policy, use of small tools, incidental job burdens, and general home office expenses and no separate allowance will be made. Assistants to office supervisors include all clerical, stenographic and general office help. Incidental job burdens include, but are not necessarily limited to, office equipment and supplies, temporary toilets, telephone and conformance to OSHA requirements. Items such as, but not necessarily limited to, review and coordination, estimating and expediting relative to contract changes are associated with field and office supervision and are considered to be included in the Contractor's overhead and/or fee percentage.

(2) Where the Contractor's or subcontractor's portion of a change involves credit items, such items must be deducted prior to adding overhead and profit for the party performing the work. The Contractor's fee is limited to the net increase to Contractor or subcontractors' portions of cost computed in accordance with this clause.

(3) Where a change involves credit items only, a proper measure of the amount of downward adjustment in the contract price is the reasonable cost to the Contractor if it had performed the deleted work. A reasonable allowance for overhead and profit are properly includable as part of the downward adjustment for a deductive change. The amount of such allowance is subject to negotiation.

(End of clause)

852.246-70 [RESERVED]
